Summary

Renew lease agreement with Wee Care Day Care Center for facility located at 510 Hancock Street.

Staff Recommendation

Approve a lease agreement with Wee Care Day Care.

Background Information

Wee Care Day Care is a nonprofit organization that serves low-income families and is licensed by the State of Tennessee to provide childcare services for children ages six-weeks to five-years. The facility housing Wee Care is City-owned and is located at 510 Hancock Street, adjacent to Patterson Park Community Center. It was constructed in 1980 with funds provided by the Department of Housing and Urban Development's Community Development Grant and has been utilized by Wee Care exclusively since then.

The Strategic Partnership process requires assessment and reporting to ensure measurable goals and objectives are met, and tracks not only direct funding, but also in-kind services. The renewal of this lease allows an extension of the existing agreement.

Council Priorities Served

Responsible Budgeting

Strategic Partnerships identify and support value-added services that directly impact and enhance the City's mission.

Fiscal Impact

None. This continues as an in-kind contribution by the City to Wee Care Day Care for monthly rental that is valued at \$2,750 per month.

LEASE AGREEMENT

This Lease Agreement made and entered into on this the ____ day of _____, 2021, by and between **CITY OF MURFREESBORO**, a municipal corporation organized pursuant to the laws of the state of Tennessee and located in Rutherford County, hereinafter referred to as "Lessor" and **WEE CARE DAY CARE CENTER**, a non-profit Tennessee corporation, with its principal office currently at 510 South Hancock Street, Murfreesboro, Tennessee, hereinafter referred to as "Lessee":

W I T N E S S E T H:

Subject to the terms and conditions hereinafter set forth, Lessor lets and leases unto Lessee and Lessee hereby accepts as tenant of said Lessor, the Day Care Center Building and adjacent land contiguous thereto and fenced, located at 510 South Hancock Street, in the 13th Civil District of Rutherford County and in the City of Murfreesboro, Tennessee. Wee Care Day Care shall use the Premises to serve the community as a childcare provider appropriately licensed with the Tennessee Department of Human Services.

1. The term of the Lease shall be for six months, from August 20, 2021 to February 19, 2022.
2. The monthly rental shall be \$2,750 per month; PROVIDED HOWEVER that for so long as the Lessee is not in default of any provision of this Lease, Lessor shall treat the monthly rent as an in-kind contribution.
3. The Lessee shall maintain liability insurance on the Property and shall name the Lessor as an additional insured. Annually, Lessee shall provide Lessor a copy of the insurance certificate and endorsement naming Lessor as an additional insured. Lessee shall provide Lessor with a copy of such insurance policy upon request. The Lessee shall maintain a minimum of One Million Dollar combined single limits for general liability, professional liability, automobile liability, and non-owned liability insurance. Notwithstanding the foregoing, Lessor may require Lessee to maintain minimum liability limits greater than One Million Dollars as provided herein, upon review by Lessor annually upon renewal based upon the Consumer Price Index for Cost of Living and other relevant factors bearing upon the subject of liability insurance.
4. The Lessee shall maintain worker's compensation insurance on all employees, if required by law and shall assure that employees of any partner or subtenant organizations are likewise covered by workers' compensation if required by law. If workers' compensation insurance is not required by law, Lessee shall assure that its employees or volunteers, and the employees and volunteers of any partner or subtenant organizations, are covered by appropriate insurance covering accidental injury suffered while on or about the Premises.
5. The Lessor shall maintain fire and casualty insurance on the building. Lessee shall be solely responsible for providing fire, casualty or other such insurance in appropriate amounts on personal property, furnishings or other building contents.
6. The Lessor shall be responsible for maintaining the roof and the structural exterior walls. All other maintenance shall be at the expense of the Lessee. Lessee shall be responsible for all mechanical, electrical, heating and air-conditioning, equipment, and plumbing. Lessee shall be responsible for maintenance of the parking lot, driveway and grounds. Lessee shall be solely responsible for providing playground equipment and ensuring that the playground meets all applicable regulations and requirements solely at their expense.
7. The Lessee shall be responsible for paying all utilities.

8. The Lessee shall continue to satisfy the purposes set forth in its Charter for Non-Profit Corporation filed with the Secretary of State of Tennessee on January 3, 1980 and shall satisfy the requirements of an 25 U.S.C. § 501 (c)(3) corporation. Any deviation will be treated as a breach of this Lease Agreement. In addition, the Lessee shall make its books and records available to the City of Murfreesboro at all reasonable times. The Lessee shall submit its proposed budget annually and also an exact statement of its actual operating expenses for the previous year.
9. Lessee shall maintain a childcare license with the State of Tennessee in good standing throughout the duration of this lease. If such childcare license is suspended or revoked for any reason, the City reserves it right to immediately terminate this Lease Agreement.
10. The Lessee covenants and agrees that it will not otherwise sublet any part of the Leased Premises, or assign the Lease or any part thereof, without the prior written consent of Lessor.
11. Lessee hereby covenants and agrees that it will not discriminate against any person on any unlawful basis, including but not limited to race, religion, national origin, age, sex, or disability and that its programs and services comply with the Americans with Disability Act.
12. Lessee agrees that all new construction and all activities shall be in conformity with the Americans with Disabilities Act.
13. Lessee shall have the right, at Lessee's cost and expense, to make alterations and additions to the building located on the Property let hereby, provided, however, that major alterations and additions of \$7,500.00 or more are approved by Lessor in writing, which approval will not be unreasonably withheld. Such alterations and additions shall be in accord with the laws, rules and regulations of applicable governmental authority or any agency thereof and Americans with Disabilities Act as provided in the paragraph 12.
14. Lessor shall have the right to inspect the Property. Lessee shall provide the Lessor a copy of inspections performed by the State of Tennessee or other governing body within 30 calendar days of receipt, providing evidence of compliance, correction action taken or planned by the abatement date indicated on the notice.
15. The Lessor shall provide basic termite/pest control protection to the Structure. Basic termite/pest control shall encompass an annual termite inspection with treatment as needed and pest control as needed.
16. The Lessee covenants and agrees as follows:
 - a. To indemnify Lessor against, and to hold Lessor free and harmless from loss from, each and every claim and demand of whatever nature, made on behalf of or any other person or persons, for any wrongful or negligent act or omission on the part of Lessee, its agents, servants and employees, and from all loss and damages by reason of such acts or omissions;
 - b. That no signs or advertising may be erected or posted on the above described Property without the prior written approval of Lessor and that any signage erected with Lessor's approval shall comply with the City of Murfreesboro Sign Ordinance;
 - c. To observe and obey all rules, regulations and procedures promulgated by Lessor;
 - d. To Follow all rules and regulations of the State Fire Marshall's Office, the Murfreesboro Fire Department, the City of Murfreesboro, and the Rutherford County Health department while utilizing the kitchen on these Premises; and
 - e. Lessee agrees and understands that no children under the age of eighteen (18), including children of Lessee's employees, shall be allowed in the kitchen at any time.
17. The Lessee shall provide the Lessor, upon request, access to any and all records of Lessee relative to this Agreement, and shall respond to the Lessor's requests for information, as necessary for Lessor to verify and/or determine Lessee's compliance with the terms of this Lease Agreement and Lessee shall provide copies of same to Lessor if necessary.

18. Either Party may terminate the Lease Agreement, with thirty (30) days written notice. Termination may result from a Party's failure to abide by the terms of this Lease Agreement. In the event of a breach of the Lease Agreement, the non-breaching party may, but is not required to, give the breaching party an opportunity to timely correct the default. In the event the breaching party defaults in performing any of the terms or provisions of this Lease and fails to cure such default within thirty (30) days after the date of receipt of written notice of default from the non-breaching party, the non-breaching party at its option may at once terminate this Lease by written notice to the breaching party, whereupon this Lease shall end.
19. Upon termination or expiration of this Lease, Lessee shall peaceably surrender to Lessor the Property in as good order and condition as when received, reasonable use and wear thereof and damage by earthquake, fire, public calamity, the elements, acts of God, or circumstances over which Lessee has no control or acts for which Lessor is responsible pursuant to this Lease, excepted. Upon expiration or termination of the Lease, improvements made to the Property shall revert to Lessor. Notwithstanding the above, Lessee shall have the right to remove any trade fixtures from such Property, subject to Lessee's obligation to repair any damage to the Property resulting from such removal.
20. The Lessee shall provide an authorized person to be the point of contact for the Lessor and such person shall be responsible for updating the Lessor with any changes relative to the officers of the Lessee, addresses, telephone numbers, etc.
21. If the Property becomes inoperable or unusable or the Lessor discontinues operation, then the Lessor has no obligation to provide substitute space for Lessee's use.
22. Time is of the essence of this Lease Agreement. The provisions, covenants, agreements and conditions of this Lease shall be binding upon and/or shall inure to the benefit of Lessor and Lessee, their successors and assigns.
23. If Lessee remains in possession of premises after the expiration of the term hereof or any extension thereof, Lessee shall be a tenant at will and there shall be no automatic renewal of this Lease by operation of law.
24. All notices herein provided to be given, or which may be given by either party to the other, shall be deemed to have been fully given when made in writing and deposited in the United States mail, certified and postage prepaid and addressed as follows:

To Lessor at:

City of Murfreesboro

Presented by: Jennifer Brown

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input type="checkbox"/>
Motion	<input type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input checked="" type="checkbox"/>

Summary

Notification to Council of City Manager approved Community Investment Program (CIP) funds transfers.

Background Information

Funding for capital improvement projects is provided through borrowing. Funds are allocated to projects in the CIP that is approved annually by Council. Reallocation of these funds sometimes becomes necessary when circumstances change. Requests for CIP Funds Transfers are submitted to the City Manager for approval and then placed on the Consent Agenda to serve as notification to Council. The following CIP Funds Transfers have been approved:

Solid Waste Equipment

Transfer \$125,296 from Rear-End Loaders to Automated Side Loaders; transfer \$62,000 from Boom Trucks and Engine Replacement to Vehicles; transfer \$20,000 from Engine Replacement and Front-End Loader to Scale House; Transfer \$195,488 from Front End Loader and Recycling Center Improvements to Automated Side Loaders.

Golf Equipment

Transfer \$6,000 from Land Acquisition/Contingencies to Fairways Mower and \$20,000 from Finishing Mower to Tees & Greens Mower.

Priorities Served

Responsible budgeting

CIP Fund Transfers reallocate available resources in an efficient manner after receiving City Manager approval.

Fiscal Impact

The transfers within the CIP Funds will have no effect on the CIP Funds balance.

CIP Funds Transfer Request

Mr. Tindall:

Submitted for your approval is the following request to transfer CIP funds.

CIP Loan 2021 Bond

Transfer CIP funds from:

Land Acquisition/Contingencies \$ (6,000.00)

Finishing Mower - Golf \$ (20,000.00)

Transfer CIP funds to:

Fairways Mower - Golf 6,000.00

Tees & Greens Mower - Golf \$ 20,000.00

TOTAL TRANSFER \$ (26,000.00)

TOTAL TRANSFER \$ 26,000.00

Explanation: Equipment needs have changed for Golf. It has been requested by the Budget Director that
\$6,000 be transferred from Land Acquisition/Contingencies line item to Fairways Mower line item and \$20,000
be transferred from the Finishing Mower line item to the Tees & Greens Mowers line item. These transfers
will decrease the Land Acquisition/Contingencies line item to \$1,000,895 and will decrease the Finishing Mower
line item to \$0. The Fairway Mowers line item will increase to \$69,000 and the Tees & Greens Mowers line
item will increase to \$85,000.

COUNCIL COMMUNICATION

Meeting Date: 08/19/2021

Item Title: Mandatory Referral for Right-of-Way Abandonment of Florence Road

Department: Planning

Presented by: Matthew Blomeley, AICP, Assistant Planning Director

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input type="checkbox"/>
Motion	<input checked="" type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Consider request to abandon Florence Road right-of-way.

Staff Recommendation

Approve the mandatory referral request.

The Planning Commission voted to recommend approval on August 4, 2021.

Background Information

In this mandatory referral [2021-712], Council is being asked to abandon a segment of right-of-way (ROW) of Florence Road south of Boyd Drive. The Planning Department received the ROW abandonment request from Mr. Terry Smith for a 356 linear-foot section of Florence Road ROW. The requested ROW is adjacent to Lots 48R, 48L, 49R, 40L, 50R, 50L and 74R of the Adams Pointe subdivision to the east and property owned by the Estate of Howard T Smith to the west. Florence Road was realigned in 2007; the area being considered for abandonment is a segment of the old Florence Road ROW. The ROW is currently being used for utilities and drainage that serve the adjacent development. Staff conducted a ROW abandonment study, the results of which are included in the attached memo. The impacts of this ROW abandonment request appear to be minimal; however, easements should be maintained for any existing utilities in the subject area.

The Planning Commission conducted a public hearing on this matter on August 4th and then recommended approval subject to the following conditions:

1. A subdivision plat to create the former ROW as a lot of record (or combine it as a lot of record with an adjacent parcel) must be submitted to the Planning Department for review and approval and then recorded.
2. The applicant shall prepare and submit legal descriptions and exhibits necessary for the City Legal Department to draft the necessary legal instruments/quitclaim deed. (Recording and recording fees will be the responsibility of the applicant.)
3. Utility easements must be dedicated, as needed, to accommodate any existing utilities, including water and sewer mains.

Council Priorities Served*Establish Strong City Brand*

The abandonment of this right-of-way is consistent with the City's goals to be customer service-oriented, relinquishing its rights to surplus right-of-way so that property owners can more fully enjoy and utilize their property.

4.a. Mandatory Referral and Right-of-way Abandonment [2021-712] to consider abandonment of the rights-of-way of Florence Road, Terry Smith applicant.

The Planning Department received a right-of-way (ROW) abandonment request from Mr. Terry Smith for a 356 linear foot section of Florence Road right-of-way. The requested ROW is adjacent to Lots 48R, 48L, 49R, 40L, 50R, 50L and 74 R of the Adams Pointe subdivision and property owned by the Estate of Howard T Smith. Florence Road was realigned in 2007; the are being considered for abandonment is a segment of the old Florence Road right-of-way. The right-of-way is currently being used for utilities and drainage that serve the adjacent development.

Staff conducted a right-of-way abandonment study, the results of which are attached in the form of a memo. The impacts of this right-of-way abandonment request appear to be minimal, and easements should be maintained for the area. Included with the staff comments are maps and a legal description.

Any approvals are subject to the applicant providing the City Legal Department any necessary documentation to prepare the quitclaim deed and for recording the quitclaim deed. A plat depicting the abandonment and relocation of the subject property must be recorded. And, utility easements must be dedicated, as needed, to accommodate any existing utilities, including water and sewer mains.

The Planning Commission will need to conduct a public hearing on the matter of the right-of-way abandonment request. The Planning Commission's recommendation will be forwarded to the Murfreesboro City Council for consideration. Any approvals are subject to the applicant providing the City Legal Department any necessary documentation to prepare the quitclaim deed and for recording the quitclaim deed. A plat depicting the abandonment and relocation of the subject property must be recorded. And, utility easements must be dedicated, as needed, to accommodate any existing drainage and utilities.

Request to Abandon Right-Of-Way along Florence Road

Request to Abandon Right-Of-Way of Florence Road

Memorandum

To: Greg McKnight, Planning Director
From: Margaret Ann Green, AICP
Date: July 30, 2021
Re: Right of way abandonment- Florence Road

Please find below a summary of the responses received regarding the captioned right of way abandonment. In summary:

Murfreesboro Electric Department (MED)

MTE has overhead electric facilities that will need an easement.

Murfreesboro Water and Sewer Department

MWSD has an existing sewer line within this area. The applicant will be required to retain necessary easements.

Consolidated Utility District

CUD has a recorded 30-foot CUD water line easement (15-feet each side of water main) for CUD's existing 20-inch water main along this section of old right-of-way proposed to be abandoned.

- Obtain a design locate through TN 811 to correctly exhibit the recorded CUD 30' centerline (15' each side of water main) water line easement associated with CUD's existing 20-inch water main located along the eastern edge of the area of ROW to be abandoned.
- Exhibit and supporting document plans must be submitted directly to CUDRC for review. Submit digital PDF of the documents to [CUDengineering@cudrc.com](mailto:CUDengineering@ cudrc.com) for further review.

Engineering Department and Street Division

The request to abandoned right-of-way (ROW) should be subject to submission and recording of a deed transferring the abandoned ROW. The deed should reserve 20' easement for public drainage along the eastern property line adjacent to Adams Pointe residential subdivision.

In order to facilitate the abandonment process, the applicant should provide a legal description and exhibits necessary for the City to draft the legal documents as well as any recording fees. In addition, the ROW abandonment should be subject to the final approval of the legal documents by the City Attorney.

Atmos

Atmos energy does not have any facilities in these areas.

Transportation Department

The Transportation Department does not have facilities in this area.

Police Department

The right of way abandonment will not affect the Murfreesboro Police Department.

Solid Waste Department

The Solid Waste Department will not be affected by the closure of this right of way.

NOTES

1. In Tennessee, it is a requirement per "The Underground Utility Damage Prevention Act" that anyone who engages in excavation must notify all known underground utility owners, no less than three nor more than ten working days of their intent to excavate. A list of these utilities may be obtained from the County Register of Deeds. Those utilities that participate in the Tennessee One Call system can be notified by calling toll free 1-800-351-1111.
2. Parcels may be subject to additional easements and/or restrictions, by record or prescription, that a complete title search may reveal.

Item Title: Purchase of Additional Filing and Shelving Systems

Department: Police

Presented by: Chief Michael Bowen

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input type="checkbox"/>
Motion	<input checked="" type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Purchase of additional filing and shelving systems.

Staff Recommendation

Approve the purchase of additional filing and shelving systems from TAB Products Co., LLC.

Background Information

MPD requires expand the filing and shelving units for additional storage of evidence and files. TAB provided the current systems throughout the building and can provide the same products and installation.

The purchase of additional filing and shelving systems is available through the Federal GSA Contract #GS-28F-002BA for a total cost of \$44,864. Using a federal contract is authorized by State law and City Code. Staff has verified the cost effectiveness of the current federal contract.

Council Priorities Served

Responsible budgeting

By utilizing a Federal GSA purchase contract, the City benefits from pre-negotiated, competitive pricing.

Fiscal Impact

The cost of the purchase, \$44,864, is budgeted for FY22.

Agreement Between City of Murfreesboro and TAB Products Co., LLC.

**AGREEMENT BETWEEN
CITY OF MURFREESBORO
AND
TAB PRODUCTS CO., LLC**

This Agreement is entered into and effective as of the ____ day of _____ 2021, by and between the **City of Murfreesboro**, a municipal corporation of the State of Tennessee (the "City"), and **Tab Products Co., LLC**, a limited liability company of the State of Delaware ("Contractor").

This Agreement consists of the following documents:

- This document
- Federal GSA Contract #GS-28F-002BA (all relevant documents)
- Contractor's Quote dated July 1, 2021
- Any properly executed amendments to this Agreement

In the event of conflicting provisions, all documents shall be construed according to the following priorities:

- First, any properly executed amendment or change order to this Agreement (most recent amendment or change order given first priority)
- Second, this Agreement
- Third, Federal GSA Contract #GS-28F-002BA (all relevant documents)
- Lastly, the Contractor's Quote dated July 1, 2021

1. **Duties and Responsibilities of Contractor.** Contractor agrees to provide and City agrees to purchase the equipment and services set forth on Contractor's Quote dated July 1, 2021 from Federal GSA Contract #GS-28F-002BA in accordance with Contractor's Proposal.
2. **Term.** Contractor's performance may be terminated in whole or in part:
 - a. Upon 30-day prior notice, for the convenience of the City.
 - b. For the convenience of Contractor, provided that Contractor notifies the City in writing of its intent to terminate under this paragraph at least 30 days prior to the effective date of the termination.
 - c. For cause, by either party where the other party fails in any material way to perform its obligations under this Agreement. Termination under this subsection is subject to the condition that the terminating party notifies the other party of its intent to terminate, stating with reasonable specificity the grounds therefore, and the other party fails to remedy the problem within 15 days after receiving the notice.
 - d. Should Contractor fail to fulfill in a timely and proper manner its obligations under this Agreement or if it should violate any of the terms of this Agreement, the City has the right to immediately terminate the Agreement. Such termination does not relieve Contractor of any liability to the City for damages sustained by virtue of any breach by Contractor.
 - e. Should the appropriation for Contractor's work be withdrawn or modified, the City has the right to terminate the Agreement immediately upon written notice to Contractor.

3. **Price; Compensation; Method of Payment.**

- a. The price for the goods and other items to be provided under this Agreement is set forth in the Contractor's Quote dated July 1, 2021 which reflects a total purchase price of **\$44,864.89**. Any compensation due Contractor under the Agreement shall be made upon submittal of an invoice after delivery and acceptance of the goods and/or services which each payment represents. The City agrees to pay Contractor after goods and/or services have been received, accepted, and properly invoiced as indicated in the Agreement and/or purchase order. Invoices must bear the purchase order number. Final payment shall not be made until after performance is complete.
- b. Deliveries of all items shall be made within 60 calendar days of order at the 1004 North Highland Avenue, Murfreesboro, TN 37130. Contact Person Jenny Licsko (telephone 629-201-5575; email, jlicsko@murfreesborotn.gov) must be notified of delivery date and time within two (2) calendar days prior to delivery. Deliveries shall be made during the normal working hours of the City, Monday through Friday.
- c. Deliveries of all items shall be made as stated in the Contractor's Quote dated July 1, 2021. Should the Contractor fail to deliver items on or before its stated date, the City reserves the right to cancel the order or Agreement. The Contractor shall be responsible for making any and all claims against carriers for missing or damaged items.
- d. Delivered items will not be considered "accepted" until an authorized agent for the City has, by inspection or test of such items, determined that they fully comply with specifications. The City may return, for full credit and at no expense to the City, any item(s) received which fail to meet the specifications as stated in the Federal GSA Contract #GS-28F-002BA (all relevant documents).
- e. All deliveries made pursuant to the Agreement must be made pursuant to the written purchase order of the City. The City assumes no liability for goods and/or services provided without a written purchase order from the City. Delivery and freight charges are to be prepaid and included in the purchase price.

4. **Warranty.** Unless otherwise specified, every item bid shall meet the warranty requirements set forth in the Federal GSA Contract #GS-28F-002BA (all relevant documents).

5. **Taxes.** The City of Murfreesboro is exempt from State sales tax and will issue a tax exemption certificate to the Contractor as requested. City shall not be responsible for any taxes that are imposed on Contractor. Furthermore, Contractor understands that it cannot claim exemption from taxes by virtue of any exemption that is provided to City.

6. **Work Product.** Except as otherwise provided herein, all data, documents and materials produced and provided by Contractor under this Agreement are the property of the City, which retains the exclusive right to publish, disclose, distribute and otherwise use, in whole or in part, any such data, documents or other materials. Any of the City's property, including but not limited to books, records and equipment, that is in Contractor's possession must be maintained in good condition and repair and returned to the City by Contractor at the end of this Agreement.

7. **Indemnification.**

- a. Contractor must indemnify, defend, and hold harmless the City, its officers, agents and employees from any claims, penalties, damages, costs and attorney fees ("Expenses") arising from injuries or damages resulting from, in part or in whole, the negligent or intentional acts or omissions of contractor, its officers, employees and/or agents, including its subcontractors or independent contractors, in connection with the performance of this Agreement, and, Expenses arising from any failure of Contractor, its

officers, employees and/or agents, including its subcontractors or independent contractors, to observe applicable laws, including, but not limited to, labor laws and minimum wage laws.

- b. Pursuant to Tennessee Attorney General Opinion 93-01, the City will not indemnify, defend or hold harmless in any fashion Contractor from any claims arising from any failure, regardless of any language in any attachment or other document that Contractor may provide.
- c. Copyright, Trademark, Service Mark, or Patent Infringement.
 - i. Contractor, at its own expense, is entitled to and has the duty to defend any suit which may be brought against the City to the extent that it is based on a claim that the products or services furnished infringe a copyright, Trademark, Service Mark, or patent. Contractor will indemnify, defend, and hold harmless the City against any award of damages and costs made against the City. The City will provide Contractor immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority from the City in order to enable Contractor to do so. The City reserves the right to participate in the defense of any such action. Contractor has the right to enter into negotiations for and the right to effect settlement or compromise of any such action provided (i) any amounts due to effectuate fully the settlement are immediate due and payable and paid by Contractor; (ii) no cost or expense whatsoever accrues to the City at any time; and (iii) such settlement or compromise is binding upon the City upon approval by the Murfreesboro City Council.
 - ii. If the products or services furnished under this Agreement are likely to, or do become, the subject of such a claim of infringement, then without diminishing Contractor's obligation to satisfy the final award, Contractor may at its option and expense:
 - 1. Procure for the City the right to continue using the products or services.
 - 2. Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to the City, so that they become non-infringing.
 - 3. Remove the products or discontinue the services and cancel any future charges pertaining thereto; provided however, Contractor will not exercise this option until Contractor and the City have determined that each of the other options are impractical.
 - iii. Contractor has no liability to the City if any such infringement or claim thereof is based upon or arises out of the use of the products or services in combination with apparatus or devices not supplied or else approved by Contractor, the use of the products or services in a manner for which the products or services were neither designated nor contemplated, or the claimed infringement in which the City has any direct or indirect interest by license or otherwise, separate from that granted herein.

8. **Notices.** Notice of assignment of any rights to money due to Contractor under this Agreement must be mailed first class mail or hand delivered to the following:

If to the City of Murfreesboro:

City Manager
City of Murfreesboro
111 West Vine Street
Murfreesboro, TN 37130

If to the Contractor:

Betsy Streblow
Tab Products Co., LLC
c/o Tab Office Environment
605 Fourth Street
Mayville, WI 53050
bstreblow@tab.com

9. **Compliance with Laws.** Contractor agrees to comply with any applicable federal, state and local laws and regulations.
10. **Maintenance of Records.** Contractor must maintain documentation for all charges against the City. The books, records, and documents of Contractor, insofar as they relate to work performed or money received under the Agreement, must be maintained for a period of three full years from the date of final payment and will be subject to audit, at any reasonable time and upon reasonable notice by the City or its duly appointed representatives. Accounting records must be maintained in accordance with the Generally Accepted Accounting Principles.
11. **Modification.** This Agreement may be modified only by written amendment executed by all parties and their signatories hereto.
12. **Relationship of the Parties.** Nothing herein may in any way be construed or intended to create a partnership or joint venture between the parties or to create the relationship of principal and agent between or among any of the parties. None of the parties hereto may hold itself out in a manner contrary to the terms of this paragraph. No party becomes liable for any representation, act, or omission of any other party contrary to this section.
13. **Waiver.** No waiver of any provision of this Agreement affects the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.
14. **Employment.** Contractor may not subscribe to any personnel policy which permits or allows for the promotion, demotion, employment, dismissal or laying-off of any individual due to race, creed, color, national origin, age, sex, veteran status, or any other status or class protected under federal or state law or which is in violation of applicable laws concerning the employment of individuals with disabilities.
15. **Non-Discrimination.** It is the policy of the City not to discriminate on the basis of age, race, sex, color, national origin, veteran status, disability, or other status or class protected under federal or state law in its hiring and employment practices, or in admission to, access to, or operation of its programs, services, and activities. With regard to all aspects of this Agreement, Contractor certifies and warrants it will comply with this policy. No person may be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the City's contracted programs or activities, on the grounds of handicap and/or disability, age, race, color, religion, sex, national

origin, or any other classification protected by federal or Tennessee State Constitutional or statutory law; nor may they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the City or in the employment practices of the City's Contractors. Accordingly, all proposers entering into contracts with the City may upon request be required to show proof of such nondiscrimination and to post in conspicuous places that are available to all employees and applicants, notices of nondiscrimination.

16. **Gratuities and Kickbacks.** It is a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or proposal therewith. It is a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this Agreement, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under the City contracts.
17. **Assignment.** The provisions of this Agreement inure to the benefit of and are binding upon the respective successors and assignees of the parties hereto. Except for the rights of money due to Contractor under this Agreement, neither this Agreement nor any of the rights and obligations of Contractor hereunder may be assigned or transferred in whole or in part without the prior written consent of the City. Any such assignment or transfer does not release Contractor from its obligations hereunder.
18. **Integration.** This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof and governs the respective duties and obligations of the parties.
19. **Force Majeure.** No party has any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by *force majeure*, meaning any act of God, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, epidemic, pandemic, act of public enemy, or other cause of similar or dissimilar nature beyond its control.
20. **Governing Law and Venue.** The validity, construction and effect of this Agreement and any and all extensions or modifications thereof are governed by the laws of the state of Tennessee regardless of choice of law doctrine or provision in any attachment or other document that Contractor may provide. Any action between the parties arising from this agreement may only be filed in the courts of Rutherford County, Tennessee.
21. **Severability.** Should any provision of this Agreement be declared to be invalid by any court of competent jurisdiction, such provision will be severed and not affect the validity of the remaining provisions of this Agreement.

22. **Attorney Fees.** In the event any party takes legal action to enforce any provision of the Agreement, should the City prevail, Contractor will pay all expenses of such action including attorney fees, expenses, and costs at all stages of the litigation and dispute resolution.

23. **Effective Date.** This Agreement is not binding upon the parties until signed by each of the Contractor and authorized representatives of the City and is thereafter effective as of the date set forth above.

IN WITNESS WHEREOF, the parties enter into this agreement as of _____, 2021 (the "Effective Date").

This is a quotation on the goods named, subject to the conditions noted below:

The above matches your existing System as previously installed. For Murfreesboro Police Department, we extended terms to 30 days net, which is also per GSA terms and conditions. Your TAB Mobile System is under warranty and we recommend for our certified installers to complete the tasks. Please note freight is going up with fuel surcharge TBD. Steel is also going up 30.75%. We cannot hold old pricing as previously sent and will advise. ON AUGUST 1, 2021 ANOTHER STEEL SURCHARGE INCREASE OF 3.9% WILL REPLACE ABOVE LINE ITEM # 6 TO \$6502.41. We are hoping these Steel Surcharge increases will go away. We have not raised any installation rates for you.

COUNCIL COMMUNICATION

Meeting Date: 08/19/2021

Item Title: Donation of Tactical Helmets to Tennessee Law Enforcement Training Academy

Department: Police

Presented by: Chief Michael Bowen

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input type="checkbox"/>
Motion	<input checked="" type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Donation of tactical helmets to Tennessee Law Enforcement Training Academy (TLETA).

Staff Recommendation

Approve the donation of used tactical helmets to TLETA.

Background Information

MPD has recently donated 25 tactical helmets to TLETA. These helmets were no longer being used by the Department due to their age. TLETA will use these in training classes at the police academy.

TLETA received the 25 helmets on August 4, 2021 prior to council approval. This was an oversight that will be corrected going forward.

Council Priorities Served

Establish a Strong City Brand

Assisting other law enforcement agencies helps to develop community partnerships.

Fiscal Impact

None.

RE: **Donation to the Tennessee Law Enforcement Training Academy (TLETA)
from Murfreesboro Police Department**

Justification:

Pursuant to T.C.A. § 38-8-205, TLETA is authorized to receive contributions. The Murfreesboro Police Department is donating twenty-five (25) Sirchie Tactical Helmets to TLETA for use by the students participating in training classes at the academy.

T.C.A. § 38-8-205 reads as follows:

The agency designated by the governor to operate the academy, through its duly appointed representative, is authorized to expend such funds as may be appropriated by the general assembly and allotted by the commissioner of finance and administration for the purposes of this chapter; and *to accept* and expend any local, federal or foundation funds or *contributions as may be received* and allotted for the purposes of this part.

Recommendation:

Please have the Commissioner sign the attached donation form acknowledging TLETA's receipt of these tactical helmets.

MUTUAL RELEASE OF LIABILITY AND HOLD HARMLESS AGREEMENT

For and in consideration of the mutual promises and agreements and for the donation of Sirchie Tactical Helmets from the City of Murfreesboro ("City") to

TN Law Enforcement Training Academy (TLETA)

The City and TLETA mutually agree as follows:

Each and every party to this agreement, individually and as agents for their employees, including their assigns, successors, agents, employees, and representatives, releases and discharges each and every other party to this agreement, including employees of each and every other party from any and all claims, rights, demands, covenants, agreements, duties, obligations, warranties, representations, liabilities, damages, expenses, attorneys' fees, costs, and causes of action, known or unknown of whatever kind, arising out of or related to the donation of the Tactical Helmets from the City to TLETA and the use of the Tactical Helmets by TLETA for whatever purposes TLETA may use them for.

TLETA agrees to hold City harmless in the event any claim is made against either the City or County arising from TLETA's ownership or use or failure to use said Tactical Helmets.

In executing this Release and Hold Harmless Agreement TLETA acknowledges that City is making no representation as to the fitness, suitability or usability of said Tactical Helmets for their stated purpose and function; it (they) have been owned, maintained and/or used by the City for multiple years. It (or their) current condition is not known or guaranteed by City; City is providing said Tactical Helmets on an "as is" basis to TLETA.

TLETA shall be solely responsible for determining whether to use said Tactical Helmets for any purpose.

Meeting Date: 08/19/2021

Item Title: Plan of Services and Annexation for property located west of Lebanon Pike
[Public Hearing Required]

Department: Planning

Presented By: Matthew Blomeley, AICP, Assistant Planning Director

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input checked="" type="checkbox"/>
Motion	<input type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Annexation of approximately 175 acres located primarily along the west side of Lebanon Pike.

Staff Recommendation

Conduct a public hearing and approve the Plan of Services and the requested annexation.

The Planning Commission recommended approval of the plan of services and annexation.

Background Information

The City of Murfreesboro has initiated a petition of annexation [2021-505], on behalf of the US Army Corps of Engineers (USACE) and the Tennessee Department of Transportation (TDOT) for approximately 175 acres located along Lebanon Pike. TDOT has issued its statement of no objection, and the City is awaiting similar correspondence from the USACE. The City developed its plan of services for this area. During its regular meeting on August 4, 2021, the Planning Commission conducted a public hearing on this matter and then voted to recommend its approval, conditioned on the removal of the portion of the USACE property north and east of the river from the study area. The maps and the plan of services have both been revised to be consistent with the recommendation of the Planning Commission. In addition, they have also been revised to reflect the correction of a mapping error brought to Staff's attention by the USACE.

Council Priorities Served

Maintain public safety

Annexation of the aforementioned area will provide clearer lines of authority and responsibility for Fire & Rescue, Police, and other emergency service providers with

respect to this area that is already managed and maintained by the City.

Expand Infrastructure

Plans are being completed for construction of the westward 1.5-mile extension of the Walter Hill Greenway on the USACE property, which is the subject of this annexation. The City will execute a lease with the USACE to manage and maintain this greenway extension upon the completion of these additional trail facilities.

PRINCIPAL PLANNER MARGARET ANN GREEN

- 4.b. Annexation petition and plan of services [2021-505] for approximately 262.5 acres located along the west side of Lebanon Pike and including 4.5 acres of Lebanon Pike right-of-way, City of Murfreesboro (for the US Army Corps of Engineers and TDOT) applicant.**

The Recreation Department owns and maintains the Walter Hill Trailhead and Recreation Area located along the east side of Lebanon Pike. Several years ago, the US Army Corps of Engineers constructed a greenway trail, approximately 1.2 miles in length, on its property along the Stones River from the Walter Hill Trailhead westward. The City has executed a lease pursuant to which it manages and maintains the trail facilities that are located on the Corps property. Plans are now being completed for construction of additional trail facilities extending some 1.5 miles further west. A similar lease for the City to manage and maintain this greenway extension will be executed upon the completion of these additional trail facilities. The subject property is located along East Fork Stone River and Highway 231. The property consists of one parcel and one segment of right-of-way:

Owners: US Army Corps of Engineers & TDoT

- Tax Map 001, Part of Parcel 00100: Approx. 258 acres, owned by the US Army Corps of Engineers. Approximately 1.2 miles of this property is developed with the Walter Hill Greenway, which is owned by the Corps but operated and maintained by the City. The Corps has plans to build approximately 1.5 miles of additional greenway trail westward from the existing trail terminus. This greenway trail extension will also be owned by the Corps but operated and maintained by the City.

Right(s)-of-way

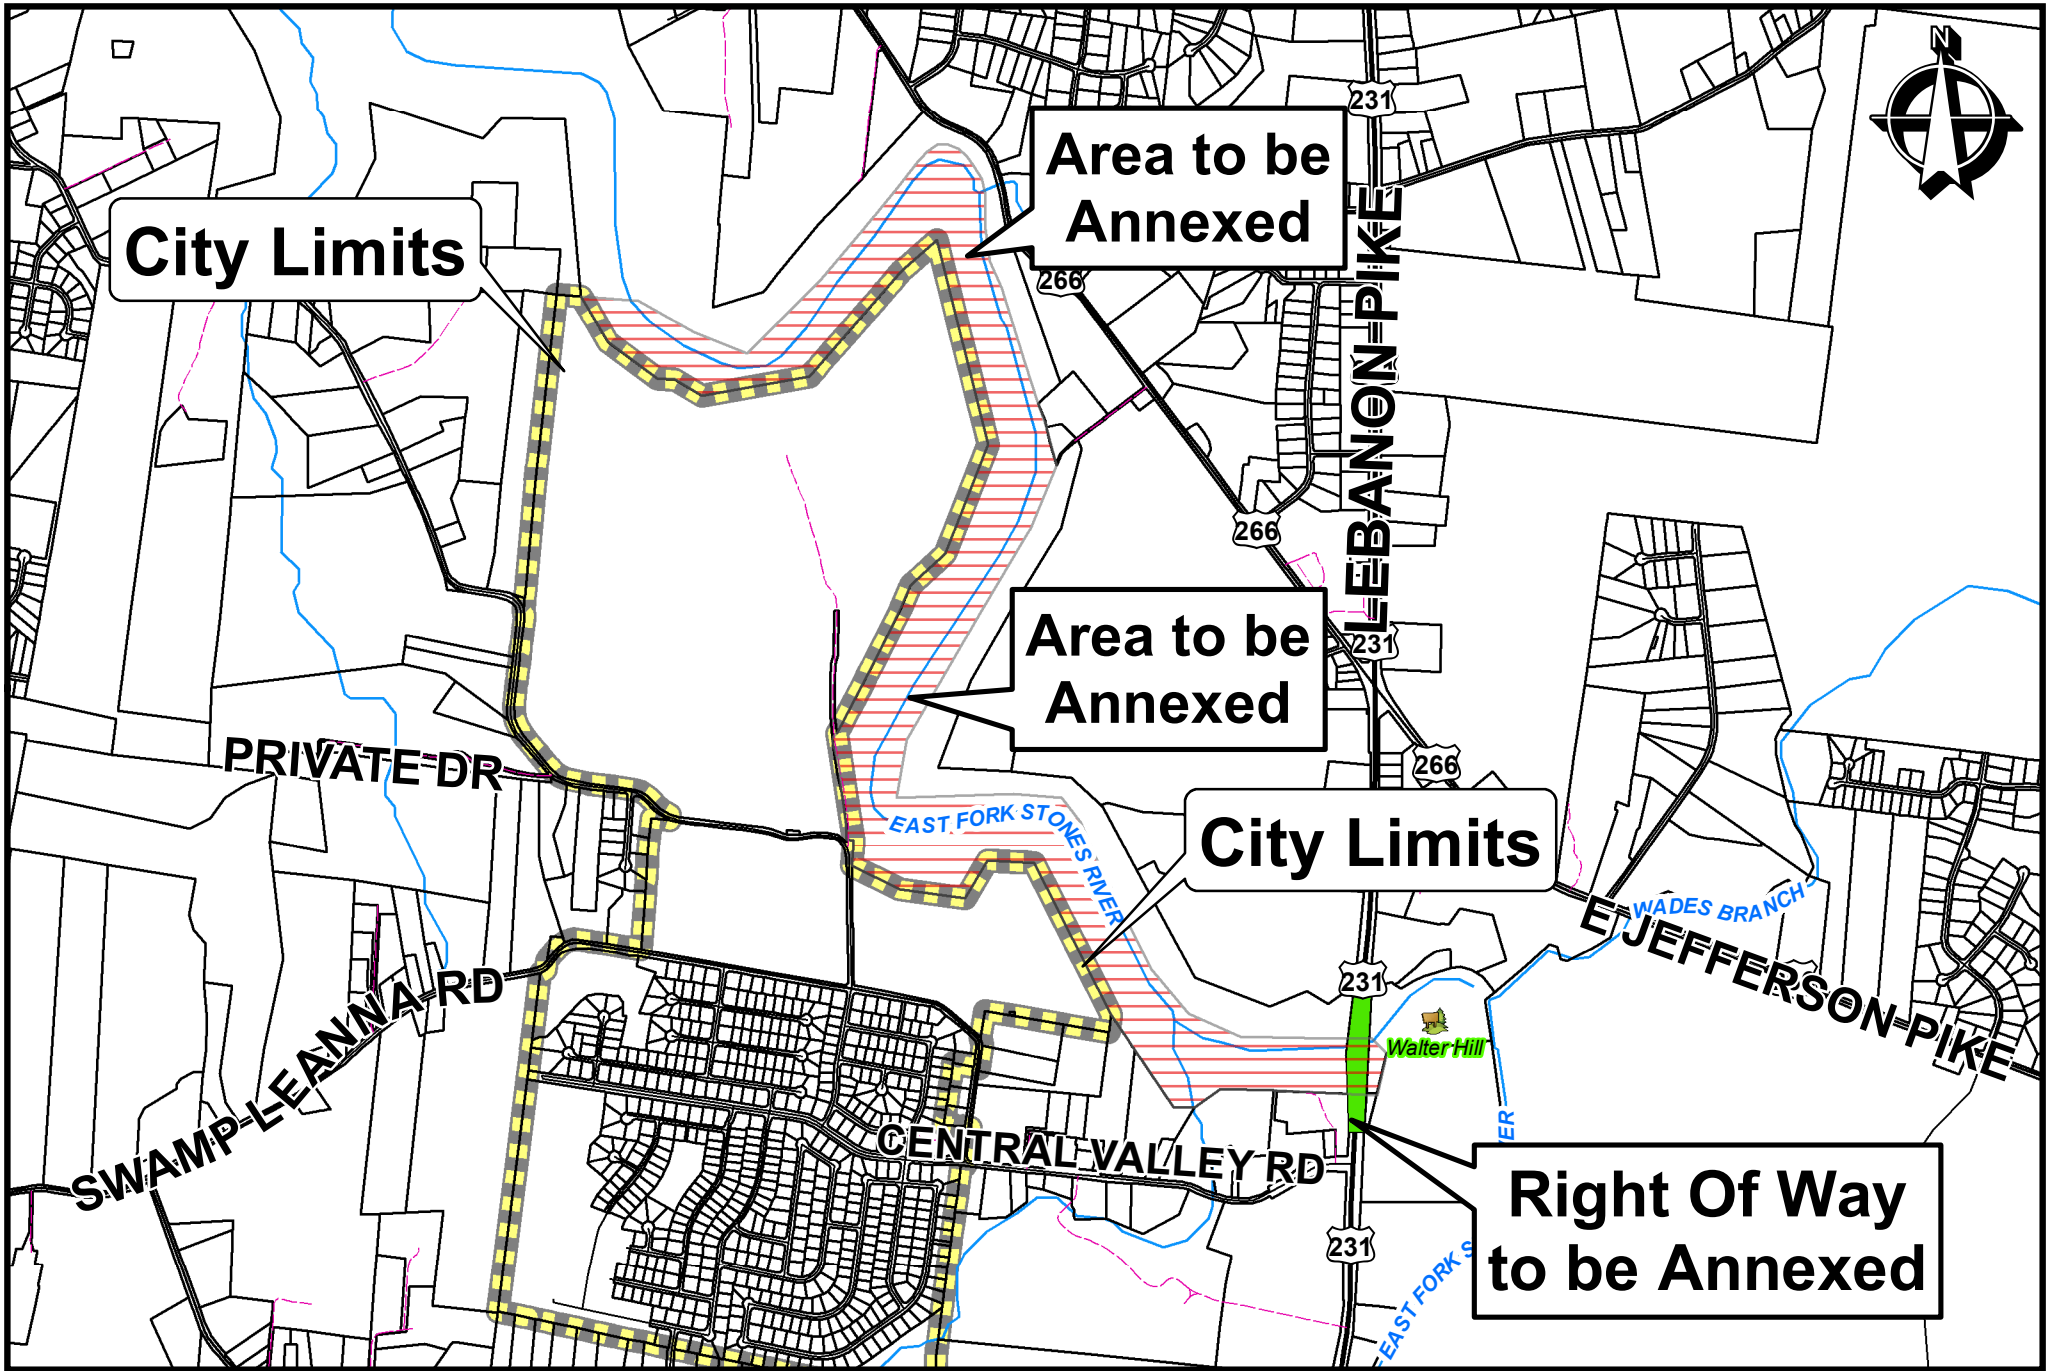

- US 231/Lebanon Pike right-of-way: Approx. 4.5 acres and Approx. 1,250 linear feet, including the bridge over the Stones River.

The subject property is located within the City's Urban Growth Boundary and is contiguous with the current City limits. The City has received a consent for annexation from TDoT but have not yet received one for the Corps property. The City will need to receive an annexation consent or petition from the US Army Corps of Engineers prior to this annexation becoming effective.

It appears that the City will be able to extend most City provided services immediately upon the effective date of annexation. Annexation of the aforementioned areas will provide clearer lines of authority and responsibility for Fire & Rescue, Police, and other emergency service providers with respect to these areas that are already owned and/or managed and

maintained by the City. Included with this staff report is an *Annexation Feasibility Study and Plan of Services* that outlines a timeframe for the extension of services for consideration and adoption.

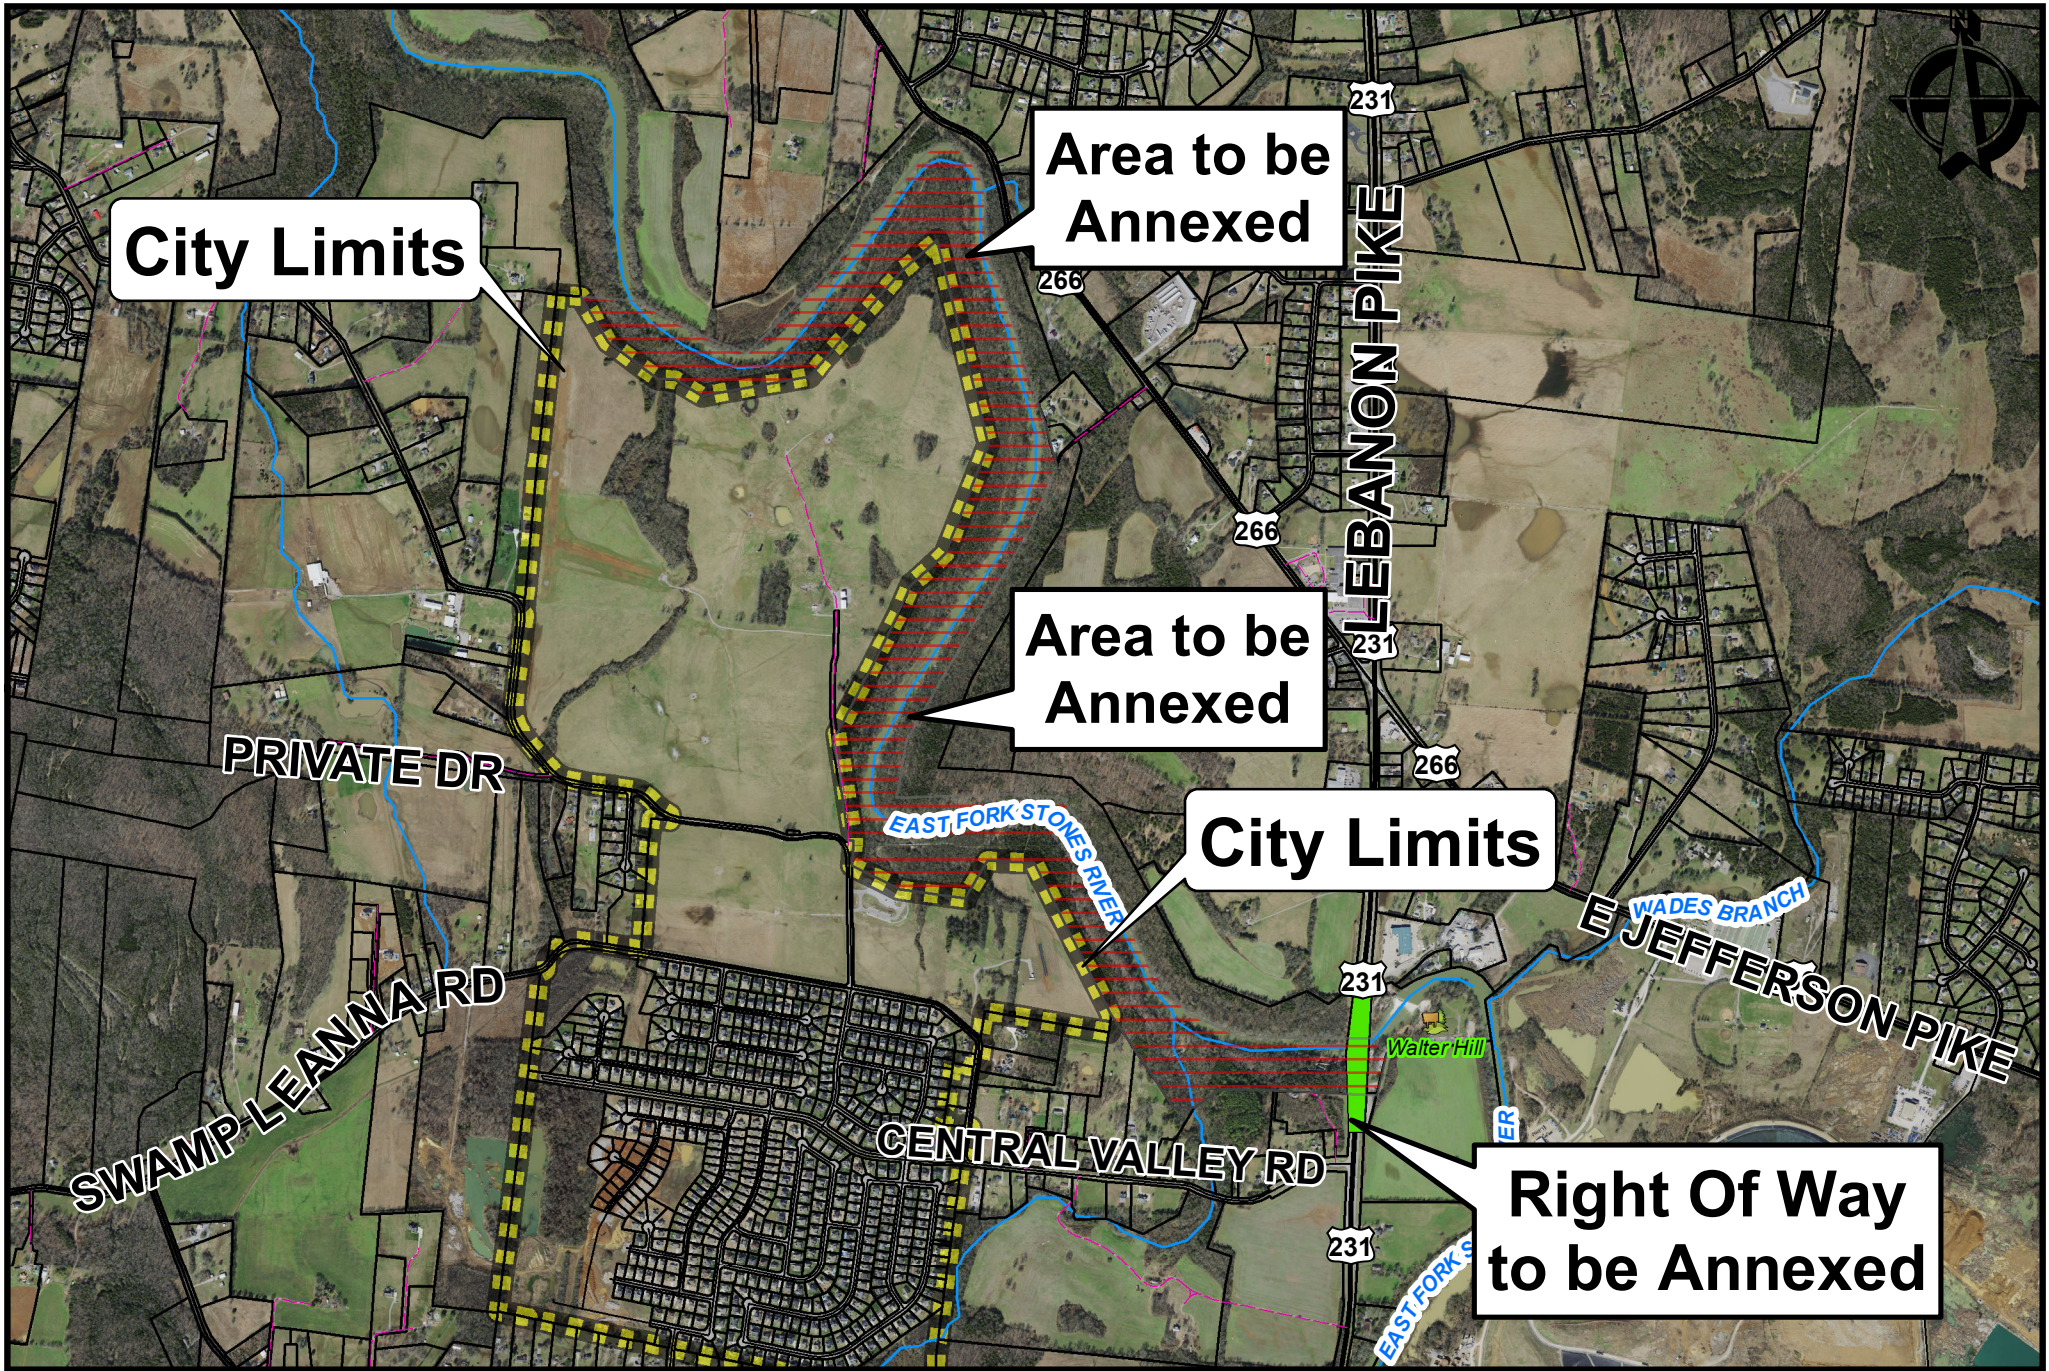

The City Council scheduled a public hearing on the matter of the annexation petition and Plan of Services on August 19, 2021. The Planning Commission should conduct a public hearing on the matter of the annexation petition and Plan of Services, after which it will need to formulate a recommendation for City Council.

INTRODUCTION

OVERVIEW

The area studied in this Plan of Services includes a 170-acres portion of one parcel (Tax Map 001 Parcel 00.100) situated along East Fork Stones River. The study area adjoins the City on the south, while the areas to the north, east and west of the study area lie within the unincorporated County. Also included in this study is a 1,250 linear foot segment of US 231 right-of-way (approximately 4.5 acres):

The City of Murfreesboro is requesting this annexation. Since 2014 Tennessee State Law has required the acquiescence of all owners of property before the property can be annexed into a city. While the statute calls for consent, the City has developed a process with the Tennessee Department of Transportation ("TDOT") whereby that State Agency states only that it does not object to the annexation. Finalizing the annexation requires that the City receive a letter from the Corps of Engineers property indicating consent or no objection.

The parcel as well as the right-of-way are located within the City of Murfreesboro's Urban Growth Boundary.

CITY ZONING

The applicant has not requested a companion zoning change simultaneous with the annexation. The subject properties are not zoned in the County, as they are floodway and right-of-way.

If annexed to the City, this property shall for an interim period, between the time it is annexed until it proceeds through the zoning process be zoned RS-15 (Residential, Single-Family District). The existing use is defined as “park” in the Murfreesboro Zoning Ordinance and is permitted by right within the RS-15 district.

The properties to the south are zoned RS-15. The remaining areas are in the unincorporated area of Rutherford County.

PRESENT AND SURROUNDING LAND USE

The primary area being considered for annexation is comprised of a portion of one parcel that is owned by the Corps of Engineers. The Recreation Department maintains the Walter Hill Trailhead and Recreation Area on these properties. Several years ago, the US Army Corps of Engineers constructed a greenway trail, approximately 1.2 miles in length, on its property along the Stones River from the Walter Hill Trailhead westward. The City has executed a Lease pursuant to which it manages and maintains the trail facilities that are located on the Corps property. Plans are now being completed for construction of additional trail facilities extending some 1.5 miles further west. A similar Lease for the City to manage and maintain this greenway extension will be executed upon the completion of these additional trail facilities.

The area surrounding the 258-acre parcel is characterized by large lots with county subdivisions. Notable exceptions include the Walter Hill landfill and the City's Coleman Farm, which is utilized for land application of reclaimed water.

Access to the study area is from US 231 and a Parks & Recreation trailhead.

TAXES AND REVENUE

The first City tax bill for all property annexed during the calendar year of 2019 will be due on December 31, 2020. City taxes are calculated upon the property appraisal and assessment of the Rutherford County Property Assessor's Office. The current tax rate for the City of Murfreesboro is \$1.2894/\$100 assessed value. Residential property is assessed at a rate of 25% of its appraised value and commercial property is assessed at a rate of 40% of its appraised value.

The one parcel included within this study area is owned by the Corps of Engineers and is therefore exempt from property taxes. Table I below shows total assessment for the properties if they were to be annexed in their present state.

Table I

PLAN OF SERVICES

POLICE PROTECTION

At present, the study area receives police service through the Rutherford County Sheriff's Department. If annexed, the Murfreesboro Police Department will begin providing services such as patrol, criminal investigation, community policing, traffic operations, canine, DARE and other community crime prevention programs to the subject parcels immediately upon the effective date of annexation. Police and emergency communications can provide service to the proposed area as presented. This annexation will improve public safety service delivery if approved. Currently the property is maintained by the City but has yet to be annexed. In this situation, when a call is received by emergency communications it is routed to the appropriate county service provider because it resides outside the city limits. This has the potential to cause issues regarding jurisdictional authority and responsibility among first responders. Approving this annexation should provide for quicker response times, through improved call routing, resulting in improved service delivery to the citizens who frequent this recreational area.

Additionally, this request includes a section of right of way along US Highway 231. This proposed annexation is not contiguous with the current city limit boundary on US Highway 231. Typically creating this "island" of City roadway within the county may present issues among first responders when determining jurisdiction for incidents that occur upon the roadway. In this instance, however, because the City is already responsible for responding to emergencies at Walter Hill Park, responding to incidents on this roadway should not create any difficulties.

This property is located in Police Zone #6.

SOLID WASTE COLLECTION

The City will provide weekly curbside solid waste collection service immediately upon the effective date of annexation, as well as brush/debris removal every two to three weeks. In its current state, no additional equipment or manpower will be needed to serve the study area.

CITY SCHOOLS

The Murfreesboro City School system serves grades kindergarten through sixth and is offered to students who are within the jurisdiction of the City of Murfreesboro. The study area will be within the Erma Siegel school zone.

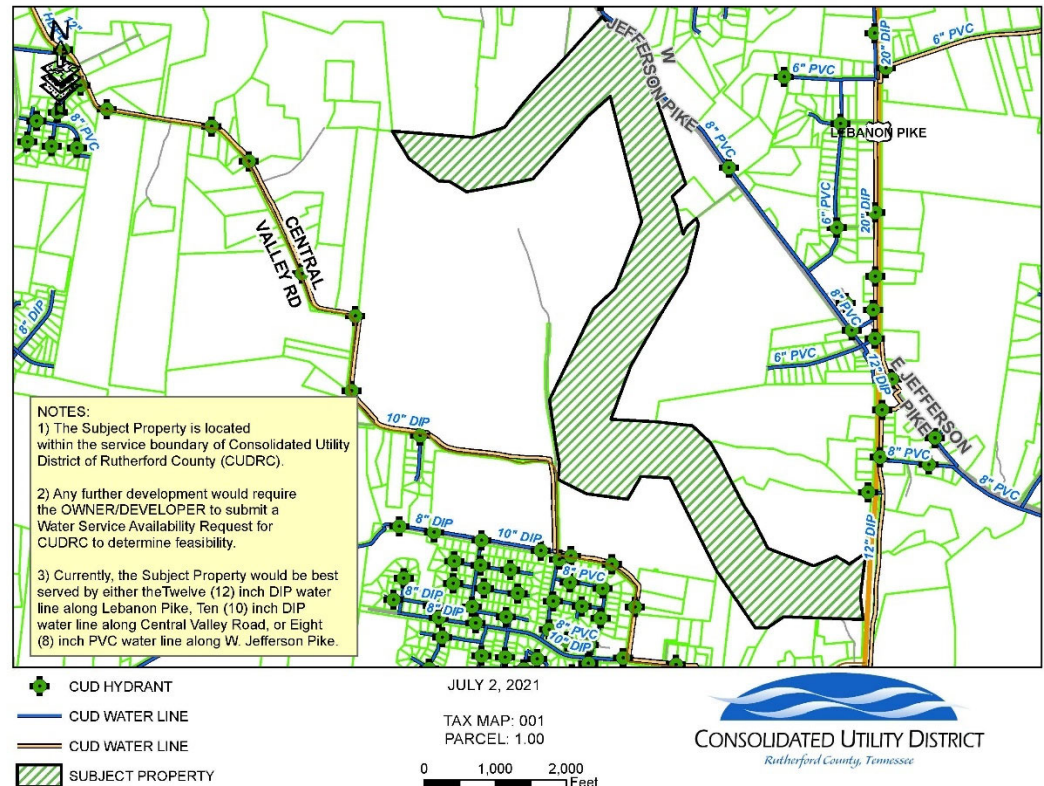

RECREATION

Murfreesboro's Parks and Recreation facilities are located on the subject property; therefore, they are immediately available upon annexation becoming effective. Currently Murfreesboro has two multi-purpose facilities, one community center, a wilderness facility, over 1,000 acres of parks, a network of greenways, and recreational sports. These facilities and programs are wholly funded by the Murfreesboro taxpayers.

WATER SERVICE

Consolidated Utility District of Rutherford County (CUD) has an existing twelve (12) inch water main along Lebanon Pike, ten (10) inch water main along Central Valley Road, and eight (8) inch water main along W. Jefferson Pike to serve the annexed areas, as illustrated in the attached exhibit. Any further development would be subject to the property owner(s) submitting a Water Service Availability Request to CUDRC for feasibility study and approval. CUD's current infrastructure is sufficient to serve any existing structures. Any water service provided to future structures would be dependent of the results of the Water Service Availability Request feasibility study. Any new water line development must be done in accordance with CUD's development policies and procedures.

SANITARY SEWER SERVICE

The study area being considered for annexation does not have sanitary sewer service available. The closest gravity sewer mains are located at the intersection of Cherry Lane and 231N and within the Liberty Station Subdivisions. The Murfreesboro Water Resources Department does not have long term plans to serve this area, however, we are contracted with Smith Seckman Reid to update the *Sewer Master Plan*.

Repurified Water is relatively available to the study area. It is being spray irrigated on the Coleman Farm which is directly south and west of the northern portions of this parcel.

FIRE AND EMERGENCY SERVICE

The Murfreesboro Fire and Rescue Department will begin providing fire protection and medical first responder service to the study area immediately upon the effective date of annexation. This annexation will have no negative impact on the Murfreesboro Fire and Rescue Department (MFRD). The annexation of this parcel would clarify potential confusion about emergency service responses to the City-owned and managed park.

The closest operating fire station to the subject property is Fire Station #6, located at 2302 Memorial Boulevard, approximately 3.9 miles from the study area. The MFRD can provide ISO Class Two (2) fire protection.

Any redevelopment on the site must provide adequate fire flows and install water lines and fire hydrants per the Consolidated Utility District policies and procedures. Current guidelines recommend fire hydrants be 500 feet apart. There is an existing twelve-inch water main along Lebanon Pike that serves the subject property.

DRAINAGE SYSTEMS:

Upon annexation, stormwater management services provided by the City will be available to the study area. No new public drainage facilities are included in the study area. Access to public drainage facilities is within the right-of-way of Lebanon Pike (Highway 231). Any new public drainage facilities proposed to serve the study area in the future must meet City standards.

A review of the regional drainage patterns indicates the Study Area and adjacent properties drain to the Stones River.

REGIONAL TRANSPORTATION CONDITIONS

The study area is served by Lebanon Pike as the major roadway facility. Lebanon Pike connects to Jefferson Pike to the north and Central Valley Road to the south. The 2014 Level of Service Model in the 2040 Major Transportation Plan shows Lebanon Pike to be operating at a Level of Service D in the Study Area using average daily traffic (ADT) counts. With the improvements recommended in the 2040 Plan the 2040 Level of Service Model indicates that Lebanon Pike will operate at a level of service D.

STORMWATER MANAGEMENT

Upon annexation, stormwater management services provided by the City of Murfreesboro will be available to the study area. The study area is currently developed with Walter Hill Greenway which is maintained by the City. The study area will generate approximately \$0 per year in revenue for the Stormwater Utility Fee.

There are currently no plans for additional physical improvements to the study area at this time.

STREETS AND ACCESS

The Annexation Study Area has access to existing Lebanon Pike (SR 231) and includes approximately 1250 linear feet of right-of-way including the bridge over Stones River. Lebanon Pike is an existing State Route and is on the City's Major Thoroughfare Plan for improvement to a 5-lane curb and gutter roadway. Upon annexation, the City will provide routine maintenance on Lebanon Pike through the State Maintenance Contract with TDoT. The amount of additional contract payments will be determined when TDoT reevaluates the right-of-way in Spring of 2022.

New connections and improvements to Lebanon Pike must be approved by the City Engineer and TDoT. No additional public roadways are included in the study area. Any future public roadway facilities to serve the study area must be approved by the City Engineer and constructed to City standards.

ELECTRIC SERVICE

The study area is currently served by Middle Tennessee Electric Membership Corporation (MTE). All costs to provide power will be the responsibility of the parcel owner and will be determined by the needs. MTEMC currently has the capacity to provide for expected load requirements.

STREET LIGHTING

According to MTE, street lighting is available to serve the study area.

PLANNING, ENGINEERING, AND ZONING SERVICES

The property will come within the City's jurisdiction for planning and engineering code enforcement immediately upon the effective date of annexation. As new development occurs, the Planning Commission will review all site plans, preliminary, and final plats. Among other duties, the Planning and Engineering Departments will inspect and monitor new construction of streets and drainage structures for compliance with the City's development regulations.

ANNEXATION FOLLOW-UP

The Murfreesboro City Council will be responsible for ensuring that this property will receive City services described in this plan. According to Public Chapter 1101 passed by the Tennessee Legislature, six months following the effective date of annexation, and annually thereafter until all services have been extended, a progress report is to be prepared and published in a newspaper of general circulation. This report will describe progress made in providing City services according to the plan of services and any proposed changes to the plan. A public hearing will also be held on the progress report.

BUILDING AND CODES

The property will immediately come within the City's jurisdiction for code enforcement immediately upon the effective date of annexation. The City's Building and Codes Department will begin issuing building and construction permits and enforcing the codes and inspecting new construction for compliance with the City's construction codes immediately upon the effective date of annexation. The Building and Codes Department will also ensure that any new signs associated with the development of the property comply with the Sign Ordinance. No additional costs are expected. A preliminary inspection by the Codes Department indicated no violations.

GEOGRAPHIC INFORMATION SYSTEMS

The property is within the area photographed and digitized as part of the City's Geographic Information Systems (G.I.S.) program.

INTRODUCTION

OVERVIEW

The area studied in this Plan of Services includes a 170-acres portion of one parcel (Tax Map 001 Parcel 00.100) situated along East Fork Stones River. The study area adjoins the City on the south, while the areas to the north, east and west of the study area lie within the unincorporated County. Also included in this study is a 1,250 linear foot segment of US 231 right-of-way (approximately 4.5 acres):

The City of Murfreesboro is requesting this annexation. Since 2014 Tennessee State Law has required the acquiescence of all owners of property before the property can be annexed into a city. While the statute calls for consent, the City has developed a process with the Tennessee Department of Transportation ("TDOT") whereby that State Agency states only that it does not object to the annexation. Finalizing the annexation requires that the City receive a letter from the Corps of Engineers property indicating consent or no objection.

The parcel as well as the right-of-way are located within the City of Murfreesboro's Urban Growth Boundary.

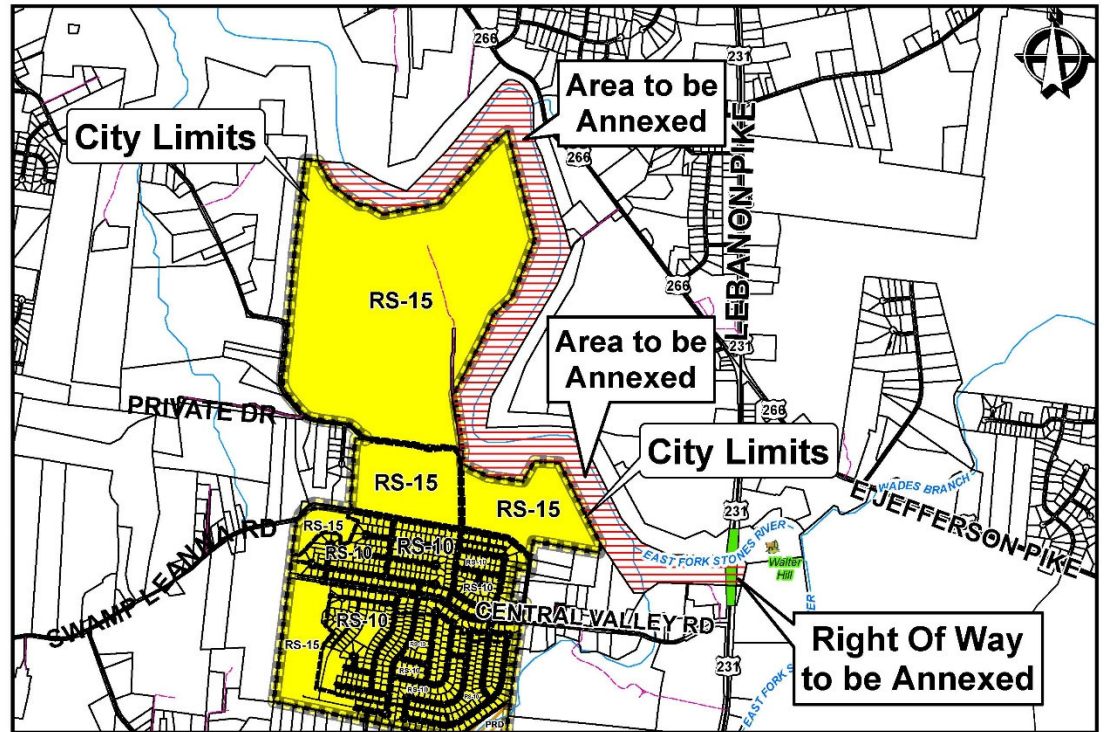

CITY ZONING

The applicant has not requested a companion zoning change simultaneous with the annexation. The subject properties are not zoned in the County, as they are floodway and right-of-way.

If annexed to the City, this property shall for an interim period, between the time it is annexed until it proceeds through the zoning process be zoned RS-15 (Residential, Single-Family District). The existing use is defined as “park” in the Murfreesboro Zoning Ordinance and is permitted by right within the RS-15 district.

The properties to the south are zoned RS-15. The remaining areas are in the unincorporated area of Rutherford County.

PRESENT AND SURROUNDING LAND USE

The primary area being considered for annexation is comprised of a portion of one parcel that is owned by the Corps of Engineers. The Recreation Department maintains the Walter Hill Trailhead and Recreation Area on these properties. Several years ago, the US Army Corps of Engineers constructed a greenway trail, approximately 1.2 miles in length, on its property along the Stones River from the Walter Hill Trailhead westward. The City has executed a Lease pursuant to which it manages and maintains the trail facilities that are located on the Corps property. Plans are now being completed for construction of additional trail facilities extending some 1.5 miles further west. A similar Lease for the City to manage and maintain this greenway extension will be executed upon the completion of these additional trail facilities.

The area surrounding the 258-acre parcel is characterized by large lots with county subdivisions. Notable exceptions include the Walter Hill landfill and the City's Coleman Farm, which is utilized for land application of reclaimed water.

Access to the study area is from US 231 and a Parks & Recreation trailhead.

TAXES AND REVENUE

The first City tax bill for all property annexed during the calendar year of 2019 will be due on December 31, 2020. City taxes are calculated upon the property appraisal and assessment of the Rutherford County Property Assessor's Office. The current tax rate for the City of Murfreesboro is \$1.2894/\$100 assessed value. Residential property is assessed at a rate of 25% of its appraised value and commercial property is assessed at a rate of 40% of its appraised value.

The one parcel included within this study area is owned by the Corps of Engineers and is therefore exempt from property taxes. Table I below shows total assessment for the properties if they were to be annexed in their present state.

Table I
Estimated Taxes from Site

PLAN OF SERVICES

POLICE PROTECTION

At present, the study area receives police service through the Rutherford County Sheriff's Department. If annexed, the Murfreesboro Police Department will begin providing services such as patrol, criminal investigation, community policing, traffic operations, canine, DARE and other community crime prevention programs to the subject parcels immediately upon the effective date of annexation. Police and emergency communications can provide service to the proposed area as presented. This annexation will improve public safety service delivery if approved. Currently the property is maintained by the City but has yet to be annexed. In this situation, when a call is received by emergency communications it is routed to the appropriate county service provider because it resides outside the city limits. This has the potential to cause issues regarding jurisdictional authority and responsibility among first responders. Approving this annexation should provide for quicker response times, through improved call routing, resulting in improved service delivery to the citizens who frequent this recreational area.

Additionally, this request includes a section of right of way along US Highway 231. This proposed annexation is not contiguous with the current city limit boundary on US Highway 231. Typically creating this "island" of City roadway within the county may present issues among first responders when determining jurisdiction for incidents that occur upon the roadway. In this instance, however, because the City is already responsible for responding to emergencies at Walter Hill Park, responding to incidents on this roadway should not create any difficulties.

This property is located in Police Zone #6.

SOLID WASTE COLLECTION

The City will provide weekly curbside solid waste collection service immediately upon the effective date of annexation, as well as brush/debris removal every two to three weeks. In its current state, no additional equipment or manpower will be needed to serve the study area.

CITY SCHOOLS

The Murfreesboro City School system serves grades kindergarten through sixth and is offered to students who are within the jurisdiction of the City of Murfreesboro. The study area will be within the Erma Siegel school zone.

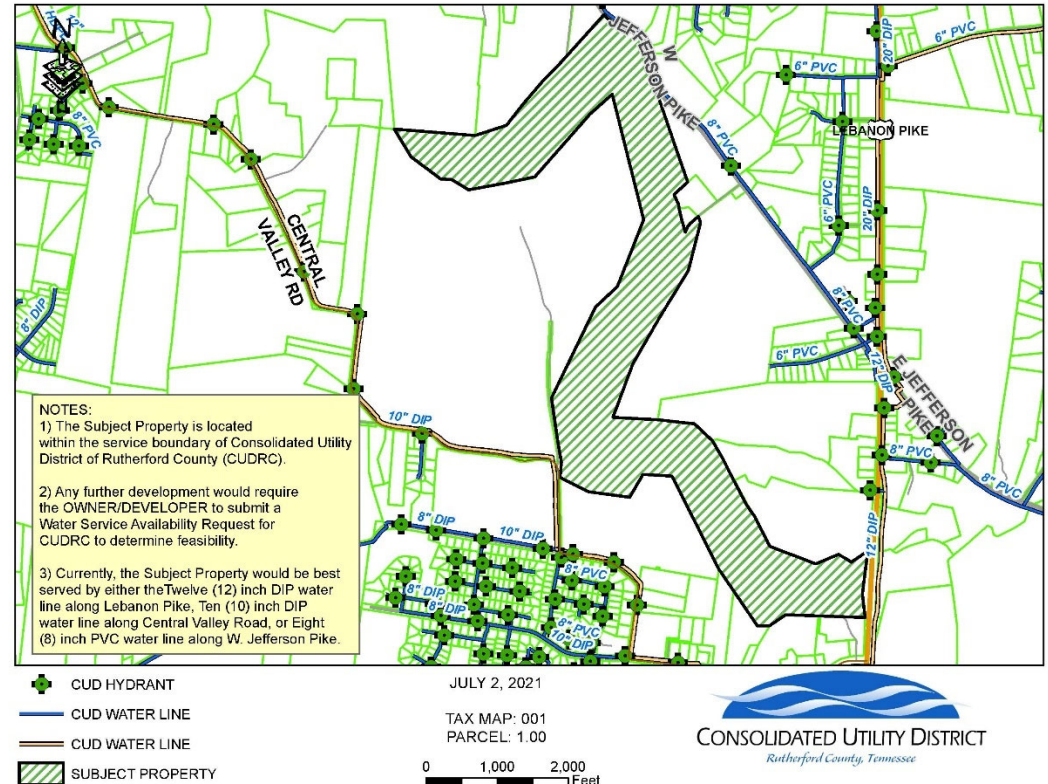

RECREATION

Murfreesboro's Parks and Recreation facilities are located on the subject property; therefore, they are immediately available upon annexation becoming effective. Currently Murfreesboro has two multi-purpose facilities, one community center, a wilderness facility, over 1,000 acres of parks, a network of greenways, and recreational sports. These facilities and programs are wholly funded by the Murfreesboro taxpayers.

WATER SERVICE

Consolidated Utility District of Rutherford County (CUD) has an existing twelve (12) inch water main along Lebanon Pike, ten (10) inch water main along Central Valley Road, and eight (8) inch water main along W. Jefferson Pike to serve the annexed areas, as illustrated in the attached exhibit. Any further development would be subject to the property owner(s) submitting a Water Service Availability Request to CUDRC for feasibility study and approval. CUD's current infrastructure is sufficient to serve any existing structures. Any water service provided to future structures would be dependent of the results of the Water Service Availability Request feasibility study. Any new water line development must be done in accordance with CUD's development policies and procedures.

COUNCIL COMMUNICATION

Meeting Date: 08/19/2021

Item Title: Plan of Services and Annexation for property located east of Lebanon Pike
[Public Hearing Required]

Department: Planning

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input checked="" type="checkbox"/>
Motion	<input type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Annexation of approximately 15.5 acres located along the east side of Lebanon Pike.

Staff Recommendation

Conduct a public hearing and approve the Plan of Services and the requested annexation.

The Planning Commission recommended approval of the plan of services and annexation.

Background Information

The City of Murfreesboro has initiated a petition of annexation [2021-506] for approximately 15.5 acres located along Lebanon Pike. The City developed its plan of services for this area. During its regular meeting on August 4, 2021, the Planning Commission conducted a public hearing on this matter and then voted to recommend its approval.

On a side note, based on information provided in the interim by the US Army Corps of Engineers (USACE) regarding the location of the boundary line between its property and the City's property, a small portion of the original study area for this annexation has been shifted to the companion USACE annexation study. The maps and the plan of services in Council's agenda packet have both been revised to reflect this update.

Council Priorities Served

Maintain public safety

Annexation of the subject area will provide clearer lines of authority and responsibility for Fire & Rescue, Police, and other emergency service providers with respect to this area that is already owned, managed, and maintained by the City.

Expand Infrastructure

In the coming years, the City will be investing in improvements to the Walter Hill Recreation Area, including stormwater management and parking lot improvements as well as other amenities.

PRINCIPAL PLANNER MARGARET ANN GREEN

4.c. Annexation petition and plan of services [2021-506] for approximately 15.5 acres located along the east side of Lebanon Pike, City of Murfreesboro applicant.

The Recreation Department owns and maintains the Walter Hill Trailhead and Recreation Area located along the east side of Lebanon Pike. Several years ago, the US Army Corps of Engineers constructed a greenway trail, approximately 1.2 miles in length, on its property along the Stones River from the Walter Hill Trailhead westward. The City has executed a Lease pursuant to which it manages and maintains the trail facilities that are located on the Corps property. Plans are now being completed for construction of additional trail facilities extending some 1.5 miles further west. A similar lease for the City to manage and maintain this greenway extension will be executed upon the completion of these additional trail facilities.

The subject property is located along Lebanon Road (Highway 231). The property consists of two parcels and is identified as follows:

Owners: City of Murfreesboro

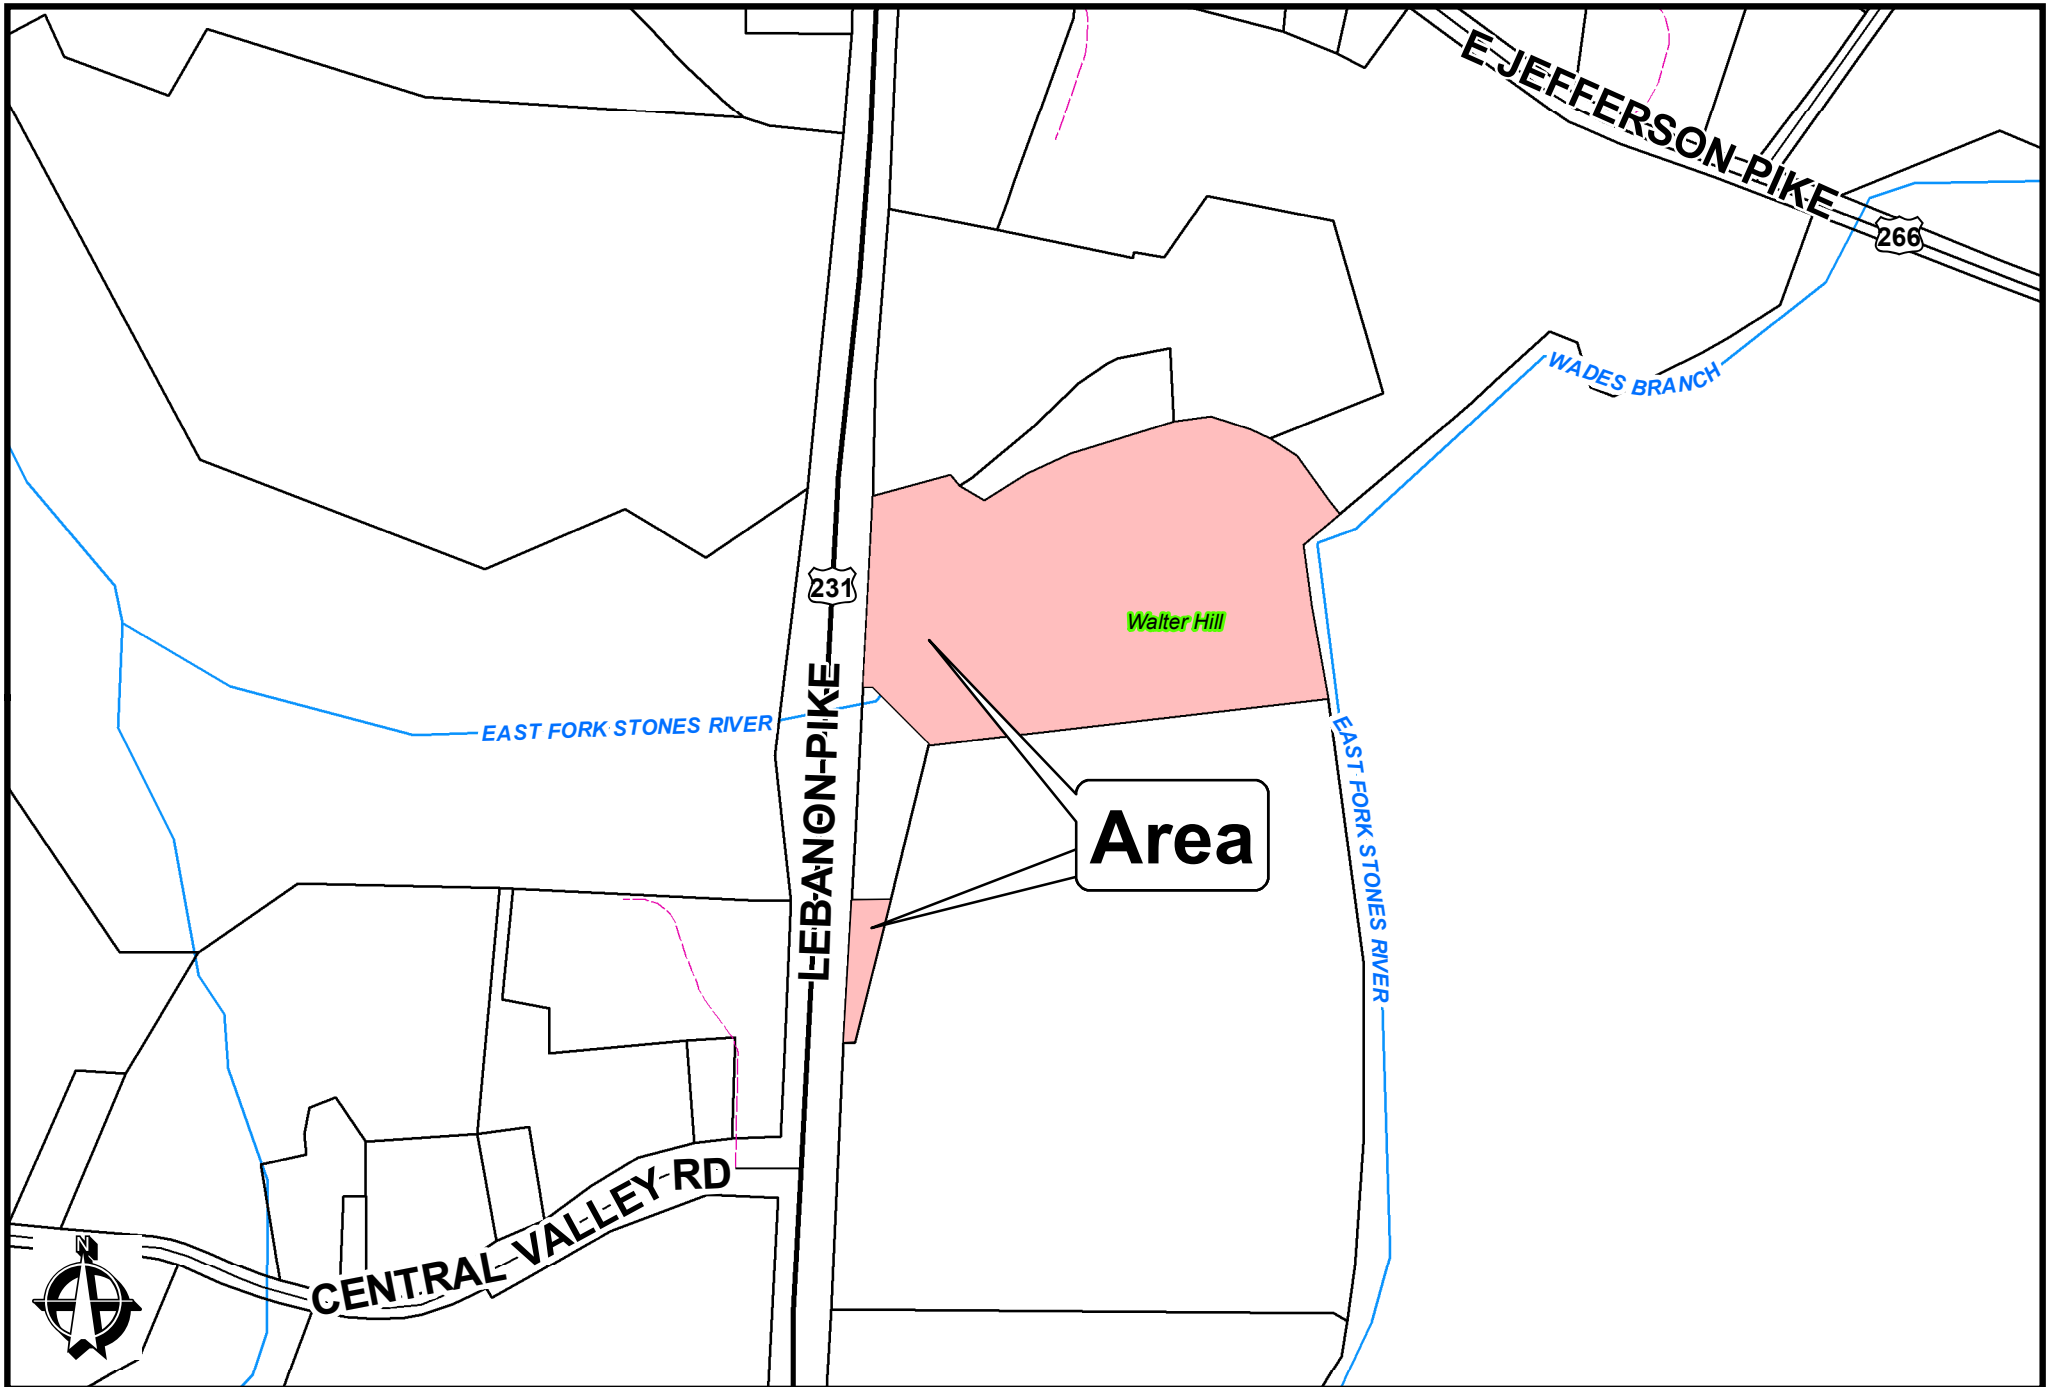

- Tax Map 046, Parcel 03700: Approx. 15.1 acres, owned by the City of Murfreesboro and developed with Walter Hill Park. There are currently no plans for any additional physical improvements on this property at this time.
- Tax Map 046, Parcel 03802: Approx. 0.4 acres, owned by the City of Murfreesboro and developed with a small parking area for Walter Hill Park. General Park improvements, including stormwater management and parking lot improvements and various recreational amenities, are included in the current Capital Improvement Plan (CIP) for the Walter Hill Recreation Area. Construction is expected to move forward in late 2021.

The Planning Department received a written petition for the annexation of these properties from the owner's representative, Mr. Craig Tindall. The subject properties are located within the City's Urban Growth Boundary. The total study area is approximately 15.5 acres and does not adjoin the City on any side. In accord with TCA 6-51-104 (d)(4) the Plan of Services has been prepared by the City in cooperation with Rutherford County.

It appears that the City will be able to extend most City provided services immediately upon the effective date of annexation. Annexation of the aforementioned areas will provide clearer lines of authority and responsibility for Fire & Rescue, Police, and other emergency service providers with respect to these areas that are already owned and/or managed and

maintained by the City. Included with this staff report is an *Annexation Feasibility Study and Plan of Services* that outlines a timeframe for the extension of services for consideration and adoption.

The City Council scheduled a public hearing on the matter of the annexation petition and Plan of Services on August 19, 2021. The Planning Commission should conduct a public hearing on the matter of the annexation petition and Plan of Services, after which it will need to formulate a recommendation for City Council.

INTRODUCTION

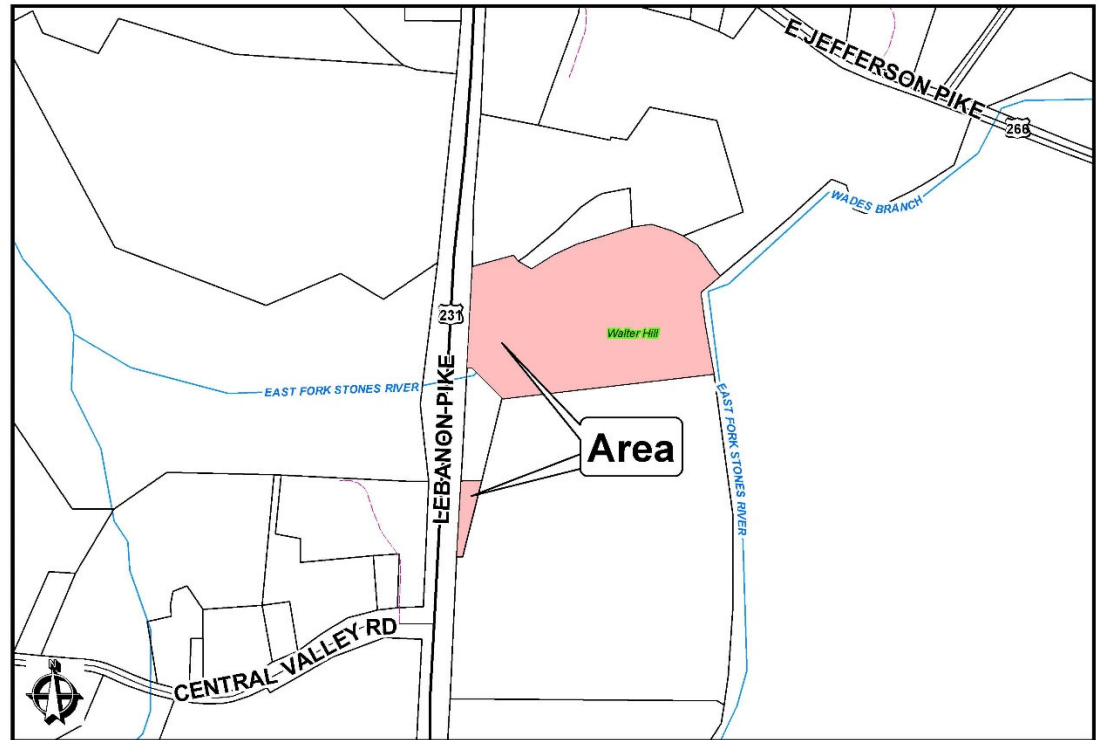

OVERVIEW

The area studied in this Plan of Services includes two parcels (Tax Map 46, Parcel 037.00 and Parcel 038.02) situated along the east side of Highway 231. The total study area is approximately 15.5 acres and does not adjoin the City on any side. In accord with TCA 6-51-104 (d)(4) the *Plan of Services* has been prepared by the City in cooperation with Rutherford County.

The City seeks to annex this study area as part of two annexations of park and greenway property along the East Fork Stones River. The greenway currently passes under the Lebanon Pike Bridge.

No rights-of-way are included within the study area and a zoning change application has not been submitted by the applicants.

The study area is located within the City of Murfreesboro's Urban Growth Boundary.

CITY ZONING

The applicant has not requested a companion zoning change simultaneous with the annexation. The subject property is currently zoned RM (Residential – Medium Density) in the County and the use “cultural and recreational services” is permitted with a Special Exception within the RM district. It appears that the property is a lawfully established, non-conforming use as it predates the adoption of Rutherford County’s current Zoning Ordinance (January 1, 2013).

All land annexed to the City shall for an interim period, between the time it is annexed until it proceeds through the zoning process be zoned RS-15 (Residential, Single-Family District) if zoned for agricultural or residential in the County. The existing use is defined as “park” in the *Murfreesboro Zoning Ordinance* is permitted by right within the RS-15 district.

PRESENT AND SURROUNDING LAND USE

The area being considered for annexation is comprised of two parcels that are owned by the City of Murfreesboro. The Recreation Department maintains the Walter Hill Trailhead and Recreation Area on these properties. Several years ago, the US Army Corps of Engineers constructed a greenway trail, approximately 1.2 miles in length, on its property along the Stones River from the Walter Hill Trailhead westward. The City has executed a Lease pursuant to which it manages and maintains the trail facilities that are located on the Corps property.

The area on the south-side of the 15.5-acre parcels is owned by Middle Tennessee State University and is characterized as open space. To the east is a heavy industrial use, the Walter Hill landfill. To the north are commercial and residential uses and to the west are exurban, residential lots within the unincorporated area.

Access to the study area is from Highway 231 (Lebanon Pike).

TAXES AND REVENUE

The first City tax bill for all property annexed during the calendar year of 2021 will be due on December 31, 2022. City taxes are calculated upon the property appraisal and assessment of the Rutherford County Property Assessor's Office. The current tax rate for the City of Murfreesboro is \$1.2894/\$100 assessed value. Residential property is assessed at a rate of 25% of its appraised value and commercial and industrial property is assessed at a rate of 40% of its appraised value.

The two parcels included within this study area are owned by the City of Murfreesboro and are therefore exempt from property taxes. Table I below shows total assessment for the properties if they were to be annexed in their present state.

Table I
Estimated Taxes from Site

Owner of Record	Acres	Land Value	Improvements Value	Total Assessment	Estimated City Taxes
City of Murfreesboro - Tax Map 046 Parcel 037.00	15.1	\$143,800	\$0	\$143,800	\$0
City of Murfreesboro - Tax Map 046 Parcel 038.02	0.4	\$30,800	\$0	\$30,800	\$0

PLAN OF SERVICES

POLICE PROTECTION

At present, the study area receives police service through the Rutherford County Sheriff's Department. If annexed, the Murfreesboro Police Department will begin providing services such as patrol, criminal investigation, community policing, traffic operations, canine, DARE and other community crime prevention programs to the subject parcels immediately upon the effective date of annexation.

This annexation will improve public safety service delivery if approved as this property is currently owned by the City. In this situation, when a call is received by emergency communications it is routed to the appropriate county service provider because it resides outside the City limits. This could cause potential delays when determining jurisdictional authority and responsibility among first responders. Approving this annexation should provide for quicker response times through proper call routing and improved service delivery to the citizens who frequent this recreational area. If zoning of the property were updated in the future with planned improvements, the impact upon police services would require reassessment. This property is located in Police Zone #3.

SOLID WASTE COLLECTION

The City will provide weekly curbside solid waste collection service immediately upon the effective date of annexation, as well as brush/debris removal every two to three weeks. In its current state, no additional equipment or manpower will be needed to serve the study area.

CITY SCHOOLS

The Murfreesboro City School system serves grades kindergarten through sixth and is offered to students who are within the jurisdiction of the City of Murfreesboro. The study area will be within the Erma Siegel school zone.

RECREATION

Murfreesboro's Parks and Recreation facilities are located on the subject property; therefore, they are immediately available upon annexation becoming effective. Currently Murfreesboro has two multi-purpose facilities, one community center, a wilderness facility, over 1,000 acres of parks, a network of greenways, and recreational sports. These facilities and programs are wholly funded by the Murfreesboro taxpayers.

WATER SERVICE

Consolidated Utility District of Rutherford County (CUD) has an existing twelve-inch water main along Lebanon Pike to serve the annexed areas. Any further development would be subject to the property owner(s) submitting a Water Service Availability Request to CUDRC for feasibility study and approval. CUD's current infrastructure is sufficient to serve existing structures. Any water service provided to future structures would be dependent of the results of the Water Service Availability Request feasibility study.

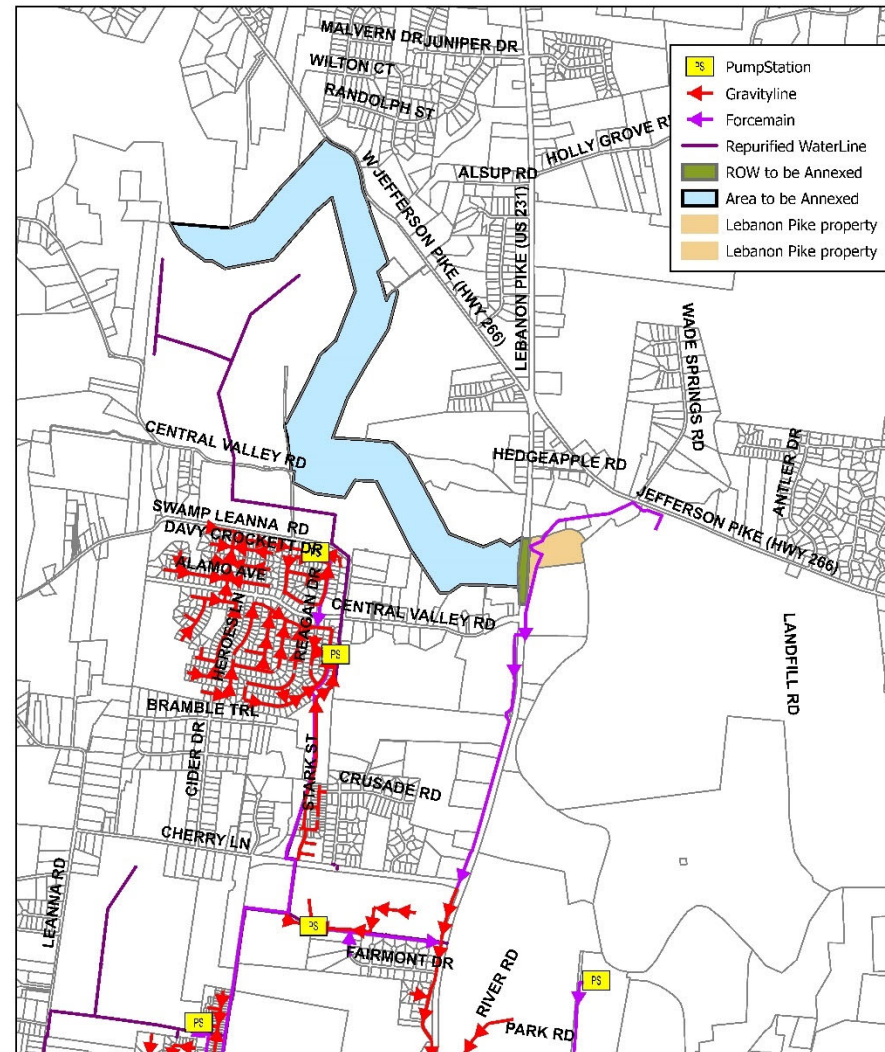

A Water Availability Request must be submitted to CUD for review and approval before any additional development on the property may occur. Any new water line development must be constructed in accordance with CUD's development policies and procedures.

SANITARY SEWER SERVICE

The study area does not have sanitary sewer service available. The closest gravity sewer mains are located at the intersection of Cherry Lane and Highway 231, within the Liberty Station Subdivision. The Murfreesboro Water Resources Department does not have long term plans to serve this area, however, they have contracted with Smith Seckman Reid to update the Sewer Master Plan.

If applicable, a charge of \$7.50/month for garbage pickup as well as \$3.25/month for the stormwater fee will be added to their monthly Consolidated Utility District water bill.

MURFREESBORO WATER RESOURCES DEPARTMENT

Annexation Request for Property along Lebanon Pike

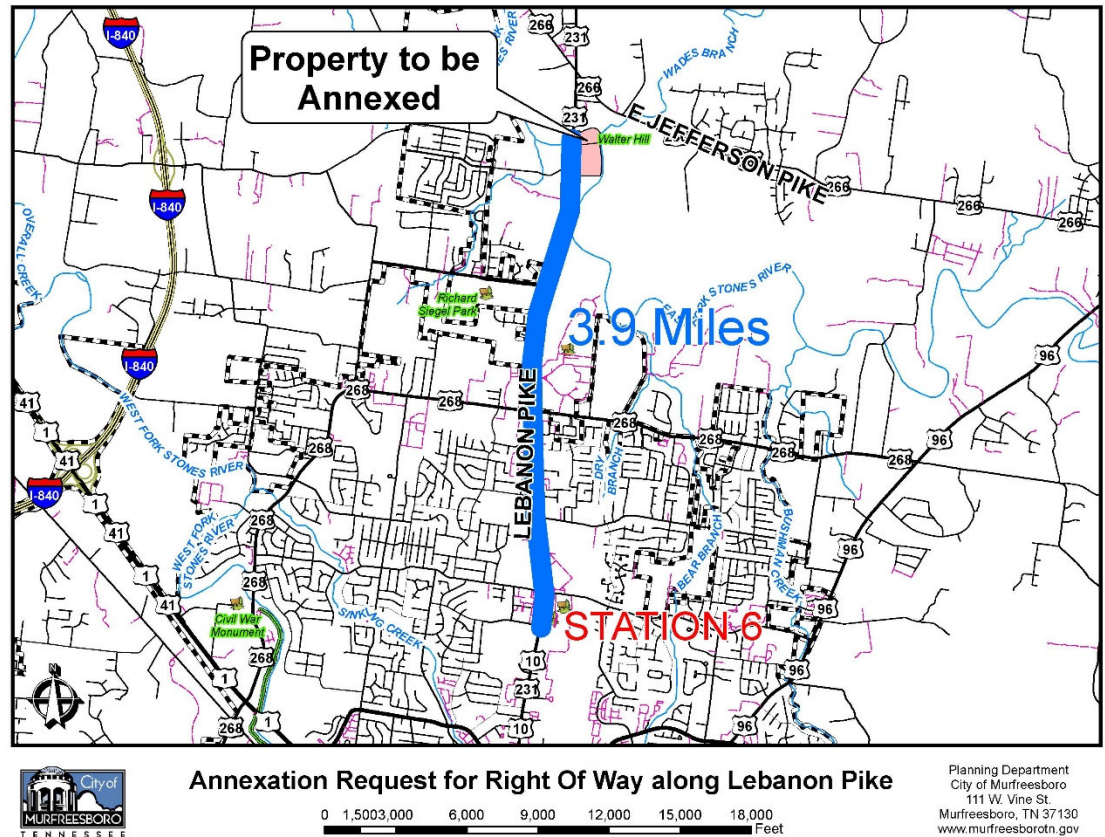

FIRE AND EMERGENCY SERVICE

The Murfreesboro Fire and Rescue Department will begin providing fire protection and medical first responder service to the study area immediately upon the effective date of annexation. This annexation will have no negative impact on the Murfreesboro Fire and Rescue Department (MFRD). The annexation of these parcel would clarify potential confusion about emergency service responses to the City-owned and managed park.

The closest operating fire station to the subject property is Fire Station #6, located at 2302 Memorial Boulevard, approximately 3.9 miles from the study area. The MFRD can provide ISO Class Two (2) fire protection.

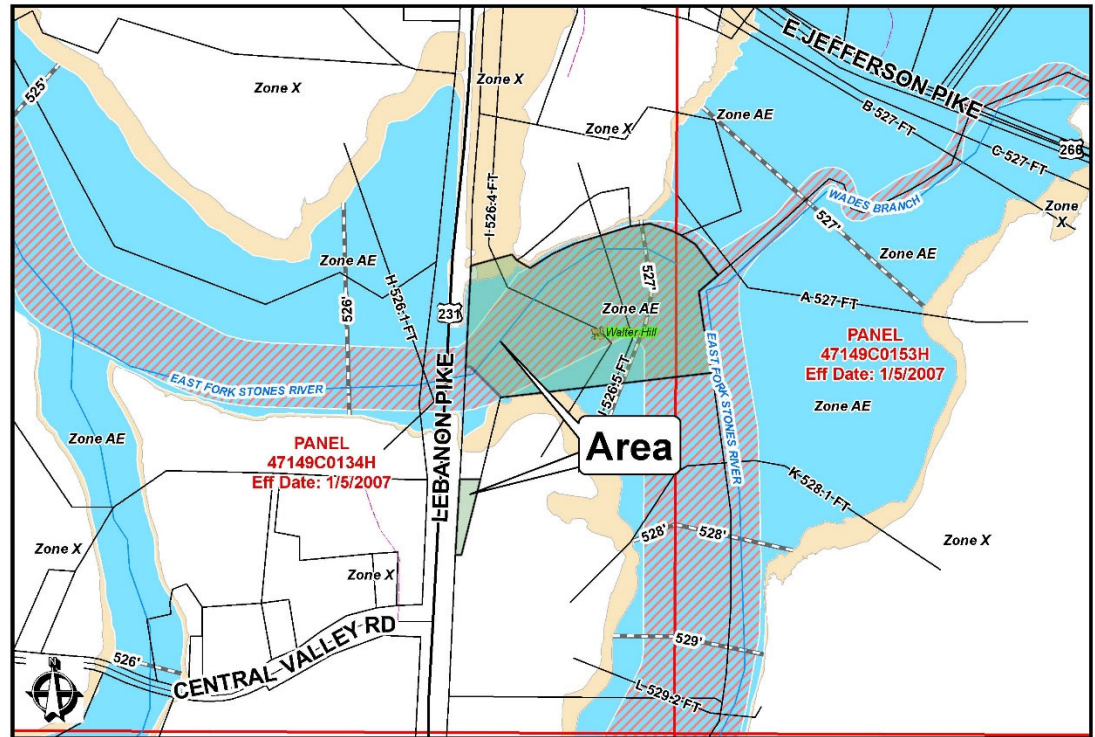

Any redevelopment on the site must provide adequate fire flows and install water lines and fire hydrants per the Consolidated Utility District policies and procedures. Current guidelines recommend fire hydrants be 500 feet apart. There is an existing twelve-inch water main along Lebanon Pike that serves the subject property.

FLOODWAY

The study area is located within a 100-year floodway and floodplain, as delineated on the Flood Insurance Rate Maps (FIRM) developed by the Federal Emergency Management Agency (FEMA).

The adjacent map shows the floodway boundary in pink and the 100-year floodplain boundary in blue.

DRAINAGE SYSTEMS

Upon annexation, stormwater management services provided by the City will be available to the study area. No new public drainage facilities are included in the study area. Access to public drainage facilities are within the right-of-way of Lebanon Pike (Highway 231). Any new public drainage facilities proposed to serve the study area in the future must meet City standards.

The red lines on the adjacent map represent ten-foot contours. The black lines represent two-foot intervals.

A review of the regional drainage patterns indicates the Study Area and adjacent properties drain to the Stones River.

REGIONAL TRANSPORTATION CONDITIONS

The study area is served by Highway 231 (Lebanon Pike) as the major roadway facility. Lebanon Pike connects to Jefferson Pike to the north and Central Valley Road to the south. The 2014 Level of Service Model in the 2040 Major Transportation Plan shows Lebanon Pike to be operating at a Level of Service D in the Study Area using average daily traffic (ADT) counts. With the improvements recommended in the 2040 Plan the 2040 Level of Service Model indicates that Lebanon Pike will operate at a level of service D.

STREETS AND ACCESS

The Annexation Study Area does not include any public roadway systems. Access to a public roadway system is available through Lebanon Pike (SR 231). Any future modifications to the current access to Lebanon Pike will require the approval of the City Engineer and Tennessee Department of Transportation (TDoT).

GEOGRAPHIC INFORMATION SYSTEMS

The property is within the area photographed and digitized as part of the City's Geographic Information Systems (G.I.S.) program.

ELECTRIC SERVICE

The study area is currently served by Middle Tennessee Electric Membership Corporation (MTE). All costs to provide power will be the responsibility of the parcel owner and will be determined by the needs. MTEMC currently has the capacity to provide for expected load requirements.

STREET LIGHTING

According to MTE, street lighting is available to serve the study area.

PLANNING, ENGINEERING, AND ZONING SERVICES

The property will come within the City's jurisdiction for planning and engineering code enforcement immediately upon the effective date of annexation. As new development occurs, the Planning Commission will review all site plans, preliminary, and final plats. Among other duties, the Planning and Engineering Departments will inspect and monitor new construction of streets and drainage structures for compliance with the City's development regulations.

ANNEXATION FOLLOW-UP

The Murfreesboro City Council will be responsible for ensuring that this property will receive City services described in this plan. According to Public Chapter 1101 passed by the Tennessee Legislature, six months following the effective date of annexation, and annually thereafter until all services have been extended, a progress report is to be prepared and published in a newspaper of general circulation. This report will describe progress made in providing City services according to the plan of services and any proposed changes to the plan. A public hearing will also be held on the progress report.

STORMWATER MANAGEMENT

Upon annexation becoming effective, stormwater management services will be provided by the City of Murfreesboro. Both existing and any future improvements will be subject to the Stormwater Utility Fee. The study area is currently developed with Walter Hill Greenway and is maintained by the City. The study area will generate approximately \$2,500 per year in revenue for the Stormwater Utility Fee.

BUILDING AND CODES

The property will immediately come within the City's jurisdiction for code enforcement immediately upon the effective date of annexation. The City's Building and Codes Department will begin issuing building and construction permits and enforcing the codes and inspecting new construction for compliance with the City's construction codes immediately upon the effective date of annexation. The Building and Codes Department will also ensure that any new signs associated with the development of the property comply with the Sign Ordinance. No additional costs are expected. A preliminary inspection by the Codes Department indicated no property maintenance violations.

RESOLUTION 21-R-PS-26 to adopt a Plan of Services for approximately 15.5 acres located along the east side of Lebanon Pike, City of Murfreesboro, applicant(s) [2021-506].

WHEREAS, the Owner(s) of the territory identified on the attached map as the “Area to be Annexed” have either petitioned for annexation or given written consent to the annexation of such territory; and

WHEREAS, a proposed Plan of Services for such territory was prepared and published as required by T.C.A. §6-51-102 and T.C.A. §6-51-104; and

WHEREAS, the proposed Plan of Services was submitted to the Murfreesboro Planning Commission on August 4, 2021 for its consideration and a written report, at which time the Planning Commission held a public hearing and thereafter recommended approval of the Plan of Services to the City Council; and,

WHEREAS, a Public Hearing on the proposed Plan of Services was held before the City Council of the City of Murfreesboro, Tennessee on August 19, 2021, pursuant to a Resolution passed and adopted by the City Council on July 8, 2021, and notice thereof published in The Murfreesboro Post, a newspaper of general circulation in said City, on August 3, 2021; and,

WHEREAS, the Plan of Services for the territory identified on the attached map as the “Area to be Annexed” establishes the scope of services to be provided and the timing of such services and satisfies the requirements of T.C.A. §6-51-102.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MURFREESBORO, TENNESSEE, AS FOLLOWS:

SECTION 1. That, pursuant to authority conferred by T.C.A. Sections 6-51-101, et seq., the Plan of Services attached hereto for the territory identified on the attached map as the “Area to be Annexed” is hereby adopted as it is reasonable with respect to the scope of services to be provided and the timing of such services.

SECTION 2. That this Resolution shall take effect upon the effective date of the Annexation Resolution with respect to the territory, **Resolution 21-R-A-26**, the public welfare and the welfare of the City requiring it.

Summary

Sale of undevelopable City residual land along Memorial Blvd to adjacent landowner.

Staff Recommendation

Approval of Agreement for Sale and purchase of Real Estate with IPM, General Partnership.

Background Information

In 1970, the City purchased a large section of land east of Memorial Blvd (Hwy 231) and south of what is now DeJarnette Lane. McKnight Park was developed on this land. As part of this purchase included a narrow (approximately 60') strip from Memorial to the City-owned land. This strip was apparently anticipated as an access point to the Park but was never developed or used for this purpose. Currently, this strip serves no useful purpose for the City and is residual land. It does, however, have value when combined with the adjoining parcel that is also too narrow for beneficial development. The adjoining landowner has expressed an interest in buying this parcel for its appraised value. Disposing of this residual parcel to the adjoining landowner allows for this parcel returns the property to the tax rolls and permits it and the adjoining parcel to be developed.

Council Priorities Served

Responsible budgeting

Disposing of residual City land for commercial developing increases on-time revenue as well as converting the property to a taxable asset thus increasing tax revenues.

Improve economic development

Carefully considered disposition of residual City land assist in economic development by assure the land is developed in accordance with Council vision.

Fiscal Impact

The proposed sale will increase on-time revenue by \$282,555. The property will be assess for property taxes, which will increase upon development.

AGREEMENT FOR SALE AND PURCHASE OF REAL ESTATE

This Agreement for Sale and Purchase of Real Estate ("Agreement"), is by and between the CITY OF MURFREESBORO, TENNESSEE, a municipal corporation, ("City"), and IPM, a TN general partnership consisting of Robert L Kirby and Jewell M Hale ("Buyer").

1. SALE AND PURCHASE

In consideration of the covenants contained herein, and other good and valuable considerations, the receipt and sufficiency of which is hereby irrevocably acknowledged and confirmed, City agrees to sell and Buyer agrees to purchase that certain parcel of land containing 13,455 sq. ft. substantially as identified as the "Property" on the Final Plat, Lot 2 and Resubdivision of Lot 1, Villages at McKnight Park prepared by SEC recorded at Plat Book 39, page 300, RORC a copy of which is attached as **Exhibit A**, and as more particularly described on **Exhibit B**.

The conveyance by the City shall include all appurtenances, rights, privileges, easements and advantages belonging to the Property.

2. PURCHASE PRICE

The purchase price shall be \$282,555.00, payable in good funds at closing.

3. CLOSING

The closing of the sale of the Property shall be held on or before the 15th day following Site Plan approval as provided is Sec. 8. The closing shall be held in the offices of Rick Mansfield, Attorney, 110 South Maple Street, Murfreesboro, Tennessee, or such other location as shall be mutually agreed upon by City and Buyer. All documents legally required to carry out the terms of this sale shall be executed and delivered.

4. CONVEYANCE DOCUMENTS

(a) On the Closing Date, City and Buyer, as applicable, shall execute and deliver to each other the following documents and such other documents and instruments of assignment and transfer as each party may reasonably require from the other in form and substance reasonably acceptable to the party from whom same is requested.

(b) City shall execute and deliver to Buyer a good and valid Special Warranty Deed in form and substance reasonably acceptable to Buyer, conveying to Buyer good and marketable fee simple title to the Property without exceptions except as such exceptions may be approved by Buyer during the Evaluation Period.

(c) City shall execute and deliver to Buyer an owner's affidavit or other documentation sufficient to allow title to the Property to be insured to Buyer without

exceptions for liens for services, labor or materials, or for rights or claims of parties in possession not shown by the public records.

(d) City shall obtain and provide to Buyer a Title Commitment from Rick Mansfield, attorney, and will provide and pay for an owner's policy of Title Insurance subject only to such exceptions as are approved by Buyer

(e) City shall, at Buyer's request, execute a Certification of Non-Foreign Status prepared by Buyer in accordance with Section 1445 of the Internal Revenue Code.

(f) Real and personal property ad valorem taxes upon the Property assessed for the year in which the Closing Date occurs, regardless of when due and payable, shall be prorated.

5. CLOSING COSTS

City shall be responsible for the payment of: all fees, costs and expenses incurred by City in connection with or relating to City's performing and satisfying all terms, conditions and provisions hereof to be performed or satisfied by City for the Closing; and City's attorneys' fees.

Buyer shall be responsible for the payment of: all recording fees, costs, taxes and charges incurred in connection with recording the deed from City to Buyer; except as otherwise set forth herein, Buyer shall be responsible for all fees, costs and expenses incurred by Buyer in connection with or relating to Buyer's performing and satisfying all terms, conditions and provisions hereof to be performed or satisfied by Buyer for the Closing; and Buyer's attorneys' fees.

Other closing costs shall be divided in accord with standard practice for commercial closings in Rutherford County.

6. REAL ESTATE COMMISSIONS AND FEES

Under no circumstances shall City or Buyer be responsible in whole or in part to the other for any real estate commission or fee in connection with the sale of the Property. Each party shall indemnify and save the other party wholly harmless against any loss, cost or other expense, including reasonable attorney's fees, that may be incurred by such other party by reason of any breach of the foregoing warranty.

7. EVALUATION PERIOD

Buyer shall have until August 31, 2021, for an Evaluation Period. If, for any reason whatsoever, Buyer is not completely satisfied with all aspects of the Property, including, without limitation, the City's title, the environmental condition of the Property, and the feasibility of development of the Property as intended by Buyer, Buyer shall have the right to terminate this Agreement by notice to City on or before the expiration of the Evaluation Period. If Buyer shall terminate this Agreement by notice to City on or before

the expiration of the Evaluation Period, City and Buyer shall be released from further liability to each other under this Agreement.

During the Evaluation Period, Buyer may go on the Property through Buyer's own personnel, agents, consultants, and engineers as needed to inspect, examine, study, survey or otherwise do whatever Buyer reasonably deems necessary by way of engineering and planning for the development of the Property. This privilege shall include the right to make soil test borings, or other tests required to obtain information necessary to determine subsurface conditions provided, however, Buyer shall not conduct any blasting operations on the Property without City's prior written consent, which may be conditioned upon receipt of proof of adequate insurance protecting City from any liability for such blasting. Buyer shall substantially restore the Property to its original condition should Buyer undertake any such test or engineering work. Buyer shall indemnify and hold City harmless from all loss, damage or expense, including any claims of third parties for damaged personal property or personal injury arising from or attributable to Buyer's inspection or testing of the Property or use thereof prior to the Closing Date.

8. CONDITIONS TO BUYER'S OBLIGATION TO CLOSE

The obligation of Buyer to close as contemplated herein is subject to the following conditions precedent:

(a) On the Closing Date, City shall have performed all covenants and agreements of City contained herein, and all representations and warranties of City contained herein shall be true and accurate;

(b) There shall not be any litigation, claim, demand, order, decree, action, proceeding, statute, rule or regulation passed, adopted, proposed or issued by, or pending or threatened by or before, any legislative body or judicial or administrative court or government or governmental agency or other regulatory or administrative authority which could materially and adversely affect Buyer's ability to purchase the Property and to develop the Property as a retail shopping center.

(c) Buyer shall have received Planning Commission approval of a Site Plan for a building substantially as shown on **Exhibit C**.

9. COVENANTS, REPRESENTATIONS AND WARRANTIES OF CITY

City covenants, represents and warrants to Buyer that:

(a) City has not received any actual notice that the Property is not in compliance with any applicable statute, ordinance, rule, regulation, requirement or code;

(b) City has not and is not presently using, and, to the best of City's actual knowledge, no other person or entity has used the Property for the storage, disposal, treatment or release of hazardous substances, hazardous waste or hazardous material, as such terms are defined in any applicable statute, ordinance, rule, regulation, requirement or code, the removal of which is required or the maintenance of

which is prohibited or penalized thereby, and the Property is free of all such hazardous substances, waste and material. City agrees to indemnify and hold Buyer harmless from and against all losses, costs, damages, expenses, claims and liabilities, including reasonable attorneys' fees, arising out of or in connection with City's own use or maintenance of the Property in violation of any such statutes, ordinances, rules, regulations, requirements or codes;

(c) There are no encumbrances, liens or charges of any kind upon the Property which will not be satisfied and discharged in full by City and released, on or before the Closing Date, in form reasonably satisfactory to Buyer;

(d) After the Effective Date, City will not enter into any contract, agreement or other arrangement, written or oral, relating to the ownership, use or operation of the Property upon the Property which will unreasonably interfere with Buyer's intended use of the Property;

(e) There is no pending nor, to the best of City's actual knowledge, threatened litigation that does or will materially and adversely affect the Property or its value or that does or will materially and adversely affect City and its ownership of the Property; and

(f) City has good and marketable fee simple title to the Property, and has not previously sold, transferred or assigned, agreed to sell, transfer or assign, and on or before the Closing Date will not agree to sell, transfer or assign all or any part of, or any interest, beneficial or otherwise, in, the Property to any other person or entity.

10. COVENANTS, REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer covenants, represents and warrants to City that:

(a) Buyer acknowledges that City shall have no obligation in its capacity as a municipal government to take any action, or to refrain from taking any action, or to waive any fee or procedure to which Buyer's proposed use or development of the Property would be subject if the Property were being sold by a private person or entity rather than a municipal government. Approval of this Agreement or any of its terms or provisions shall not in any way function as a substitute for any approval of any use or development of the Property by Buyer which is otherwise required by local, state or federal law.

(b) By executing this Agreement Buyer is representing that it is not directly or indirectly owned by any member of the Murfreesboro City Council, by any member of the Murfreesboro Gateway Commission, or by any officer of the City (said term to include the City Manager, City Recorder, City Treasurer, City Judge and City Attorney) or by any of the City's negotiators or representatives, including but not limited to the Assistant City Manager. Buyer represents and commits that no compensation, kickback, gratuity, or other payment or gift of value will be made by Buyer or any intended owner or tenant of the Property to any of the individuals hereinabove mentioned; ordinary campaign contributions are not hereby prohibited.

(f) Buyer will take, or cause to be taken, all action necessary to cause the foregoing warranties and representations to remain true and correct in all respects from the date hereof through the Closing Date and will refrain from taking any action which would cause, or threaten to cause, any such warranties and representations to become incorrect or untrue at any time during such period, unless this Agreement contemplates the taking of such action and the consequent modification of certain warranties and representations, and that the covenants, warranties and provisions set forth in the foregoing provisions clearly intended to survive the Closing shall not merge into the document from the transaction and shall survive the Closing of this transaction. Buyer shall notify City of any material change which occurs in or pertaining to the foregoing warranties and representations from the date hereof through the Closing Date.

11. CONDEMNATION

If on or before either Closing Date a Substantial Portion, as hereinafter defined, of the Property becomes the subject of a pending or threatened condemnation or similar proceeding or is taken through any power of eminent domain, this Agreement shall be null and void, and City and Buyer shall be released from further liability to each other under this Agreement. The term "Substantial Portion" shall mean a portion of the Property which will render the Property unsuitable for development as intended by Buyer if taken by a governmental entity and dedicated to the public use that is the basis for such taking.

If on or before either Closing Date less than a Substantial Portion of the Property becomes the subject of a pending or threatened condemnation or similar proceeding, or is taken through any power of eminent domain, Buyer shall have the Second, exercisable by written notice to City on or before the earlier of: (a) the Closing Date; or (b) the expiration of thirty (30) calendar days after Buyer's receipt of notice of such taking or pending or threatened condemnation or similar proceeding, either: (i) to terminate this Agreement, and City and Buyer shall be released from further liability to each other under this Agreement; or (ii) to close the purchase of the Property under the terms hereof, in which event City shall: (a) assign to Buyer all of City's right, title and interest in and to such pending or threatened condemnation or similar proceeding and all sums payable to City in connection therewith; and (b) fully cooperate with Buyer in Buyer's defense and settlement of such pending or threatened condemnation or similar proceeding.

12. SEWER ASSESSMENT

City represents and Buyer acknowledges that the Property is not located within a special sewer assessment district and is not subject to the payment of a sewer assessment fee.

13. UTILITIES AND INFRASTRUCTURE

Buyer acknowledges that the existing utilities, including stormwater drainage facilities, may be incompatible with Buyer's intended use of the Property. Buyer shall be

solely responsible for relocating any such utility; any such relocation shall be subject to the City's normal review process.

Buyer acknowledges that Memorial Boulevard is a limited access road and that curb cuts are subject to approval by the City and the Tennessee Department of Transportation..

Buyer accepts the elevation and compaction of Property "as is" and City shall not be required to furnish any fill or compaction.

14. ENVIRONMENTAL

If Buyer should, at its own discretion and its own expense, obtain a Phase II Environmental Report on the Property which indicates the presence of contamination or hazardous materials, or the presence of an environmental problem which would impair Buyer's use of the Property, Buyer shall notify City and raise any specific objection it has to the environmental condition of the Property. If City is unable to remove the contamination or hazardous materials or resolve the environmental problem prior to the Closing Date, Buyer shall have the right to terminate the Agreement by written notice to the City, and the City and Buyer shall be released from further liability to each other under this Agreement.

15. APPLICABLE LAW

The validity, construction, interpretation and performance of this Agreement shall always be governed in accordance with procedural and substantive laws of the State of Tennessee, notwithstanding any choice of law, principle or rule of law to the contrary, and venue for any action concerning it shall be in Rutherford County, Tennessee.

16. TIME

Time is of the essence of this Agreement. In the event that any act of God, or any act of war or terrorism, impacts City's or Buyer's ability to timely perform an element of this Agreement, each agrees it shall consider a reasonable extension of the time of performance.

17. ENTIRE AGREEMENT

The Buyer and City agree that this Agreement contains or incorporates the entire agreement between the parties. The terms of this Agreement shall apply to and bind the heirs, successors and assigns of the parties.

This Agreement shall not be construed in favor of Buyer on the basis that it was drafted by City or on the basis that City is a governmental entity. It shall be construed, in the event interpretation is necessary, with due consideration for the representations made by Buyer, both oral and written, to City and to City's representatives, the Murfreesboro Gateway Commission, and the Murfreesboro City Council including specifically all representations made in Buyer's Letter of Intent and any amendments thereto. Buyer shall be deemed to be fully familiar with City's laws and regulations

applicable to the Property and City shall have no special duty to specifically disclose or discuss its laws and regulations applicable to land development with Buyer.

18. NOTICES TO CITY AND BUYER

Any notice required or permitted hereunder shall be given in writing either: (i) by personal delivery, in which event such notice shall be effective upon receipt; (ii) by telefax or other similar telephonic transmission, in which event such notice shall be effective upon receipt; or (iii) by Federal Express or other similar overnight courier service, in which event such notice shall be effective upon the earlier of receipt by the addressee or the day promised for delivery by such courier service, or if said day is not a business day, on the first business day following the day promised for delivery by such courier service; or (iv) by United States registered mail, return receipt requested, in which event such notice shall be effective upon receipt. 19. EFFECTIVE DATE

This Agreement shall take effect and become legally binding upon the date of the last party to sign, provided that this Agreement shall have no force or effect until approved by the Murfreesboro City Council.

20. POST CLOSING ACTION

At a prior date an ATMOS Gas Line was installed in the clouded area substantially as shown on **Exhibit D**, rather than in a Gas Line Easement that was granted or will be granted by Buyer substantially as shown on **Exhibit E**. Buyer will obtain an estimate for the cost of trenching, relocating and reconnecting the gas line from its present location to the Gas Line Easement area, and will provide such estimate to the City prior to beginning the work. The City will promptly notify Buyer whether it

approves the estimate for Buyer to accomplish the work or prefers to complete the work with City employees and / or contractors. If the City elects for Buyer to accomplish the work, Buyer will, upon completion of the work, invoice the City and the City will reimburse Buyer within 20 calendar days for the cost of the work. If the City elects to accomplish the work through its employees and / or contractors, the City will make all reasonable efforts to accomplish the work within 45 days after notice of its election. Buyer will bear the cost of having the Gas Line Easement prepared and recorded. This Section 20 shall survive the Closing and remain a post-closing obligation of the City.

IN WITNESS WHEREOF, this Agreement has been executed by City and Buyer on the dates set forth below their respective signatures hereto and shall be effective upon _____.

Summary

Funding recommendations and alignments for Strategic Partnerships.

Staff Recommendation

Approve funding as shown on the attached Strategic Partnership Funding Schedule.

Background Information

Strategic Partnerships include funding for agencies that provide services for economic development, tourism, health, education, welfare, safety, arts and culture, and enhanced public services. Strategic Operating Partners are aligned for review of application and funding recommendations with Community Development, Economic Development, Parks and Recreation, Police, Schools, and Transportation. Governmental Services Partners are aligned to the Community Services Division, with oversight in cooperation with Rutherford County Government, and Strategic Funding Partners completed an application through the Community Services Division to align with funding designations. An assessment and reporting process ensures measurable goals and objectives are met, and funding is disbursed with successful completion and compliance to written agreements or benchmarks.

The three-year transitional implementation from the historically funded "Outside Agencies" to "Strategic Partnerships" began in FY20. This fiscal year begins Year Three of the transition, with implementation focused on establishing clear objectives for long-term organizational capacity-building, measured impact, and alignment to City services. In agencies that have use of City property and facilities, lease agreements are to be aligned with property maintenance and inspection reporting.

Council Priorities Served

Responsible Budgeting

The Strategic Partnership application and review require an assessment and reporting process to ensure measurable goals and objectives are met. In addition to direct funding, consideration of in-kind services, leases, and improved communication with partners is valued. This process identifies and supports value-added services that directly impact and enhance the City's mission and vision in a way that stewards the City's limited financial resources.

Fiscal Impact

Recommended funding levels are budgeted for FY22.

Summary

Professional Services Contract for the daylighting of Town Creek.

Staff Recommendation

Approve the design contract with Griggs and Maloney for daylighting Town Creek.

Background Information

Town Creek runs from Murfree Springs at the Wetlands, east under Church Street, under Hickerson Drive, and ultimately into Lytle Creek just north of Cannonsburg Village. It is current covered until west of South Front Street.

The City purchase the southeast corner of Church and Board Streets with the intent of daylighting the creek and creating an open space. Staff also believe that daylighting the Creek under Hickerson will improve stormwater management and assist in the redevelopment of the Bottoms.

Staff requested a proposal from Griggs and Maloney for the design, permitting, bidding and construction administration assistance for the daylighting of Town Creek. This includes opening the encapsulated stream segment from Murphree Spring to South Church St. This plan also incorporates a walking trail adjacent to the open stream that provides connectivity to the existing trails at Murphree Springs. This project would save on costs associated with replacing failing culverts as well as securing environmental credits to assist with other City projects, specifically Cherry Lane Phase 2.

Council Priorities Served

Expand infrastructure

Improvements to Town Creek will increase pedestrian connectivity within the downtown area while simultaneously providing environmental credits to aid in the Cherry Lane Phase 2 construction project.

Fiscal Impact

This contract amount, \$176,560, will be funded by FY21 CIP funds and the Stormwater Fund.

RE: PROPOSAL FOR DESIGN, BIDDING, AND CONSTRUCTION PHASE SERVICES FOR TOWN CREEK DAYLIGHTING

Dear Mr. Huddleston:

Griggs & Maloney, Inc. (G&M) is pleased to present this proposal to assist the City of Murfreesboro (City) in the design, bidding and construction ophase services in support of the daylighting of Town Creek in the stream segment from Murfree Springs to South Church Street. Town Creek has, for many years, been encapsulated underground within a series of corrugated metal pipes and concrete box culverts which are documented to be in poor condition and in need of repair or replacement. Rather than replacing the existing infrastructure, we propose to assist the City with abandoning the infrastructure and daylight Town Creek. To date, G&M has performed the following tasks to support the Town Creek daylighting project:

- Performed a topographic and boundary survey, including confirming by excavation, identified utilites;
- Conducted limited flow monitoring of Town Creek;
- Performed the SQT of the existing Town Creek channel to be daylighted;
- Gained concurrence with the City and TDOT on the relocation of the McD easement;
- Designed Permit drawings for Town Creek;
- Developed components of Compensation Mitigation Plan per guidelines set forth in U.S. COE Permittee Responsible Mitigation Guidance (May 26, 2016);
- Utiliy Coordination;
- Provide conceptual drawing for park improvements at the corner of SE Broad and S. Church Street;
- Assited the City in successfully negotiating a property donation from AutoZone; and
- Conducting ongoing negotiate with McDonalds Corporation (MCD) to reloate the MCD sign and access easement and to abandon exisying City infrastructure and easements on MCD property.

The stream sections proposed to be daylighted not only present an opportunity for the City to save on the cost associated with replacing the existing failing culverts but also present an opportunity to gain valuable stream credits that can apply to City projects where streams are being impacted, such as the Cherry Lane extension.

G&M proposes to perform the following scope of work to assist the City with design, biddign, and construction:

Mr. Sam Huddleston
February 9, 2021
Page 2 of 2

- Geotechnical Exploration
- Environmental Sampling
- Develop construction plans and specifications for Town Creek Daylighting which will include:
 - Diversion of the stream flow during construction;
 - Demolition plan for abandonment of the existing infrastructure;
 - Structural Engineering for Ped. Bridge;
 - Electrical Engineering for Lighting;
 - Landscape Design;
- MCD Easement Survey & Coordination;
- Design of a 'pocket park' and surface trail system which connects to the existing trails at Murfree Springs;
- Bidding phase assistance; and
- Construction Phase Assistance which includes limited construction site visits and administration of the construction contract.

Project Budget

G&M proposes to perform the tasks described above for a not-to-exceed amount of \$176,560. Utility relocation design, permitting, or other fees are not included as components of this proposal. All work will be performed in accordance with the attached Billing Rates and Standard Terms and Conditions previously agreed to by G&M and the City.

To accept the conditions of this proposal please sign below and return a copy to us as our authorization to proceed. If you have any questions regarding the proposal, please call me at (615) 895-8221.

Sincerely,

GRIGGS & MALONEY, INC. STANDARD TERMS AND CONDITIONS

1. ACCESS TO THE SITE/JOB SITE SAFETY

Unless otherwise stated, Griggs & Maloney, Inc., hereinafter referred to as the CONSULTANT, will have access to the site for activities necessary for performance of the services. The CONSULTANT will take precautions to minimize damage resulting from these activities, but has not included in the project fee the cost of restoration of any resulting damage.

The CONSULTANT has not been retained or compensated to provide services relating to the CONTRACTOR's safety precautions or means, methods, techniques, sequences or procedures for the CONTRACTOR to perform his work. The CLIENT understands that the CONSULTANT is not responsible, in any way, for the means, methods, techniques, sequences, procedures, scheduling, or for job site safety, and will not be responsible for any losses or injuries that occur at the Project site.

2. INSURANCE

The CONSULTANT shall secure and endeavor to maintain such insurance including general liability and errors and omissions insurance in the amount of \$1,000,000 as will protect the CLIENT from claims of negligence, bodily injury, death, or property damage that may arise out of the performance of the CONSULTANT's services under this agreement.

3. TERMINATION OF SERVICES:

This Agreement may be terminated by the CLIENT or by the CONSULTANT upon not less than seven days written notice should the other party fail to substantially perform in accordance with the terms of this Agreement through no fault of the party initiating termination. If this Agreement is terminated by the CLIENT, the CONSULTANT shall be paid for services performed to the termination notice date, including reimbursable expenses.

4. REIMBURSABLE EXPENSES:

Reimbursable expenses include actual expenditures made by the CONSULTANT, his employees, or his SUB-CONSULTANTS on behalf of the Project. Reimbursable expenses include, but are not necessarily limited to, the following: (a) expenses of transportation and living when traveling in connection with the Project: long distance communications; overnight mail; and fees paid for testing and/or securing approval of authorities having jurisdiction over the Project: (b) expenses of printing, reproduction, postage and handling of drawings and specifications, including duplicate sets at the completion of each phase of the Project for the CLIENT's review and approval; and (c) expenses related to SUB-CONSULTANTS and specialists when authorized by the CLIENT. Reimbursable expenses shall be billed as cost plus 15% incurred by the CONSULTANT.

5. DISPUTES RESOLUTION:

All claims, counterclaims, disputes and other matters in question between the parties hereto arising out of or relating to this Agreement or breach thereof shall be presented to non-binding mediation, subject to the parties agreeing to a mediator.

6. OWNERSHIP OF DOCUMENTS:

It is understood by and between the parties to this agreement that all drawings, specifications, reports and other work products of the CONSULTANT for this Project shall remain the property of the CONSULTANT and are instruments of the service for this Project only and shall apply to this particular Project and any reuse of the instruments of service of the CONSULTANT by the CLIENT for any extensions of the PROJECT or for any other project without the written permission of the CONSULTANT shall be at the CLIENT's sole risk, and the CLIENT agrees to defend, indemnify and hold harmless the CONSULTANT from all claims, damages and expenses, including attorney's fees, arising out of any unauthorized reuse of the CONSULTANT's instruments of service by the CLIENT or by others acting through or on behalf of the CLIENT to the extent permitted by law. Any reuse or adoption of the CONSULTANT's instruments of service on other projects shall entitle the CONSULTANT to additional compensation in an amount to be agreed upon by the CLIENT and the CONSULTANT.

7. GOVERNING LAW:

Unless otherwise specified within this Agreement, this Agreement shall be governed by the law of the State of Tennessee. In the event any provisions of this Agreement shall be held to be invalid and unenforceable, the remaining provisions shall be valid and binding upon the parties. One or more waivers by either party of any provision, term, condition or covenant shall not be constructed by the other party as a waiver of a subsequent breach of the same by the other party.

8. PAYMENT TO THE CONSULTANT:

If the CLIENT fails to make payment due to the CONSULTANT, the CONSULTANT may, after giving seven days written notice to the CLIENT, suspend services under this Agreement and retain all work products deliverable to the CLIENT until full payment. The project completion date shall be automatically extended by the number of days services are suspended.

No deductions shall be made from the CONSULTANT's compensation on account of penalty, liquidated damages, or other sums withheld from payment(s) to CONTRACTORS.

9. CLIENT RESPONSIBILITIES:

The CLIENT shall designate a person to act with authority on his behalf in respect to all aspects of the Project, shall examine and respond promptly to CONSULTANTS submissions, and shall give prompt written notice to the CONSULTANT whenever he observes or otherwise becomes aware of any defect in or problem with the Project.

The CLIENT shall also provide to the CONSULTANT all criteria and full information as to his requirements for the Project, and shall:

- Provide the CONSULTANT with escorts and means of access to all areas of the Project; this being necessary for the orderly progress of the work, the CONSULTANT shall be entitled to rely upon the efficiency and completeness thereof.
- Compensate the CONSULTANT for services rendered under this Agreement and pay all costs incidental to CLIENT furnished items.
- The CONSULTANT may justifiably rely upon information supplied by the CLIENT without the need for additional verification by the CONSULTANT.
- Provide such legal, accounting, and insurance counseling services as may be required for the Project.
- Guarantee access to and make all independent cost estimating, and insurance counseling services as may be required for the Project.

10. EXTENT OF AGREEMENT:

This Agreement represents the entire and integrated Agreement between the CLIENT and the CONSULTANT and supersedes all prior negotiations, or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the CLIENT and the CONSULTANT.

The CONSULTANT intends to render services under the terms of this Agreement in accordance with generally accepted professional practices consistent with the intended use of the Project and makes no warranty either expressed or implied.

Any *opinion of construction* cost prepared by the CONSULTANT represents his judgment as a design professional and is supplied for the general guidance of the CLIENT. Since the CONSULTANT has no control over the cost of labor and material, or over competitive bidding or market conditions, the CONSULTANT does not guarantee the accuracy of such opinions as compared to CONTRACTOR bids or actual cost to the CLIENT.

11. CHANGES IN THE SCOPE OF SERVICES:

The CLIENT may request changes in the *Scope of Services* of the Agreement to be performed hereunder. Such changes, including any increase or decrease in the amount of the CONSULTANT's compensation, which are mutually agreed upon by and between the CLIENT and the CONSULTANT shall be incorporated into this Agreement by written amendment.

Any changes made to construction documents by the CLIENT, or by the CLIENT's representative's, are strictly prohibited without the knowledge and written consent of the CONSULTANT. The CONSULTANT shall be released from any liability resulting from damages, injuries, and or death from the unauthorized alteration of construction documents.

12. EXISTING AND/OR HIDDEN CONDITIONS:

A condition is hidden if it is concealed by existing finishes or features or if it cannot be investigated by reasonable visual observation. If the CONSULTANT has reason to believe that such a condition may exist, the CONSULTANT will notify the CLIENT who then shall authorize and pay for all costs associated with the investigation of such a condition and, if necessary, all costs necessary to correct said condition. If (1) the CLIENT fails to authorize such investigation or correction after due notification, or (2) the CONSULTANT has no reason to believe that such a condition exists, the CLIENT is responsible for all risks associated with this condition, and the CONSULTANT shall not be responsible for the existing condition nor any resulting damages to persons or property. Further, the CONSULTANT will not be required to execute any document that would result in certifying, guaranteeing or warranting the existence of conditions whose existence the CONSULTANT cannot reasonably

ascertain.

13. STANDARD OF CARE

Services provided by the Design Professional under this Agreement will be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances.

In addition, the CLIENT agrees, to the fullest extent permitted by law, to indemnify and hold the CONSULTANT harmless from any loss, claim or cost, including reasonable attorney's fees and costs of defense, arising or resulting from the performance of the same services set forth herein by third parties and from any and all claims arising from modifications, clarification, interpretations, adjustments or changes not approved by CONSULTANT that are made to the Contract Documents by Client or third party to reflect changed field or other conditions, except for claims arising from the negligence or willful misconduct of the CONSULTANT.

14. DESIGN WITHOUT CONSTRUCTION SERVICES

It is understood and agreed that the CONSULTANT's Basic Services under this Agreement do not include project observation or review of the CONTRACTOR's performance or any other construction phase services, and that such services will be provided by the CLIENT or by another party selected at the sole discretion of the CLIENT. Further, the CLIENT assumes all responsibility for interpretation of the Contract Documents and for construction observation and/or supervision and waives any claims against the CONSULTANT that may be in any way connected thereto.

In addition, the CLIENT agrees, to the fullest extent permitted by law, to indemnify and hold the CONSULTANT harmless from any loss, claim or cost, including reasonable attorney's fees and costs of defense, arising or resulting from the performance of services under this contract by other persons or entities and from any and all claims arising from modifications, clarification, interpretations, adjustments or changes made to the Contract Documents to reflect changes field or other conditions, except for claims arising from the sole negligence or willful misconduct of the CONSULTANT.

If the CLIENT requests in writing that the CONSULTANT provide any specific construction phase service and if the CONSULTANT agrees in writing to provide such services, then the CONSULTANT shall be compensated for ADDITIONAL Services as provided in the Agreement.

Summary

Road Development and Right-of-Way Agreement with City Church, Inc.

Staff Recommendation

Approve agreement with City Church Inc for the road development and right of way donation on their future building site.

Background Information

City Church has purchased the property at 831 Bridge Ave for a future building site. As outlined in the 2040 Major Transportation Plan, the new alignment of Molloy Lane will partially cross the property with a three-lane curb and gutter road. The attached Road Development and Right-of-Way Agreement addresses the realignment of Molloy Lane with a designed such that the church will have sufficient area for future facilities and a potential second lot.

The City will retain the engineer for roadway design, preparation of legal descriptions and exhibits for the right of way donation, and the demolition of existing structures prior to construction of the roadway. The church will be responsible for tipping fees in relation to the disposal of debris from the demolished structures and the recording of the subdividing plat.

Council Priorities Served

Expand Infrastructure

Implementation of the 2040 Major Transportation Plan through the expansion of existing roadways.

Fiscal Impact

The costs associated with this agreement will be paid for by the reallocation of CIP funds from other projects.

ROAD DEVELOPMENT AND RIGHT-OF-WAY AGREEMENT

This Road Development and Right-of-Way Agreement ("Agreement") is between the City of Murfreesboro, Tennessee, a municipal corporation in Rutherford County, Tennessee ("City") and City Church, Inc, a Tennessee Not-for-Profit Corporation doing business in Murfreesboro, Tennessee ("Developer").

WHEREAS, the following facts exist:

- A. City has adopted the 2040 Major Transportation Plan which includes as STI #7, the realignment of Molloy Lane in order to facilitate and expedite the traffic flow within the corridor;
- B. The proposed realignment of Molloy Lane will partially bisect property known as 831 Bridge Avenue, Tax Map 102B, Group B, Parcel 13 (the "Property");
- C. Developer is purchasing the Property for the purpose of constructing a church and related facilities, and the proposed realignment of Molloy Lane will allow a Lot with sufficient area for Developer's proposed facilities and create a second, buildable Lot that can be sold; and
- D. City and Developer desire to work together to achieve the goals of both for transportation and traffic improvement and church facilities.

NOW THEREFORE, for good and valuable mutual considerations, the receipt and sufficiency of which are hereby irrevocably acknowledged and confirmed, including but not limited to the benefits to be received by each party from the performance of this Agreement, the City and Developer agree as follows:

- 1. City will retain a design engineering firm to design the roadway, including intended utilities, substantially as shown of Exhibit A; City will be solely responsible for all surveying, engineering, hydraulic and any other studies necessary prior to approval of construction of the road. The road will be designed as a three-lane, curb and gutter road with a 2 ft grass strip and 5 ft sidewalks of both sides.
- 2. City will prepare the legal description and documentation for the donation of ROW and related easements and record the executed documents.
- 3. City will demolish the existing structures and remove the debris.

4. Developer will pay the "tipping fee" for disposal of the debris resulting from demolition of the existing structures.
5. Developer will, upon request by the City, execute appropriate documents to donate ROW and associated easements across the entire length of the Property.
6. Developer will, prior to Certificate of Occupancy, prepare and have recorded a resubdivision plat to create two lots and depict the donated ROW and associated easements.
7. The City will proceed in a timely manner to complete design of the road to facilitate Developer's construction plan.
8. City will provide a curb cut with the design of the new road to the Developer for the proposed driveway substantially as shown on the attached Site Plan, subject to such adjustments as may be agreed to during creation of final construction plans.

Item Title: Retail Liquor Certificate of Compliance – Super 9 Wine & Spirits

Department: Finance

Presented by: Jennifer Brown

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input type="checkbox"/>
Motion	<input checked="" type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Information pertaining to the issuance of a certificate of compliance for a retail liquor store.

Background Information

State law requires that an applicant for retail liquor stores obtain a certificate of compliance from the local jurisdiction to be submitted to the Tennessee Alcoholic Beverage Commission as part of the Commission's licensing process. Compliance for the certificate is based only on the applicant's criminal background information and that the location complies with local zoning ordinances and distance requirements.

A certificate of compliance is requested by Janessa M. Patel for the Super 9 Wine & Spirits at 3035 New Salem Hwy Suite C, which is a new location for retail liquor store. This request complies with statutory requirements.

Council Priorities Served

Maintain public safety

The City's role in issuing a Certificate of Good Moral Character allows the City to be aware of locations that would like to operate as a retail liquor store, to review zoning restrictions, review applicant background issues, and check for past problems with following City Code.

Requested Council Action:

Ordinance	<input type="checkbox"/>
Resolution	<input type="checkbox"/>
Motion	<input checked="" type="checkbox"/>
Direction	<input type="checkbox"/>
Information	<input type="checkbox"/>

Summary

Purchase of 30 new police vehicles.

Staff Recommendation

Approve the purchase of 30 new police vehicles from Ford of Murfreesboro.

Background Information

The purchase of 28 vehicles are scheduled replacements. Two vehicles are Risk Management replacements. This equipment is available for purchase in the amount of \$1,014,930.

These items are available for purchase through the State's General Services Central Procurement Office, which is permitted by State statute and Council Resolution. Staff has verified the cost effectiveness of the current state contract.

Council Priorities Served

Responsible budgeting

By utilizing the State's procurement contract, the City benefits from pre-negotiated, competitive pricing.

Fiscal Impact

The cost of this purchase, \$1,014,930, is funded by the FY21 CIP and transfer from the Risk Management for the replacement of two vehicles.

Contract with TT of F. Murfreesboro, Inc. d/b/a Ford of Murfreesboro

**CONTRACT BETWEEN
CITY OF MURFREESBORO
AND
TT OF F. MURFREESBORO, INC dba FORD OF MURFREESBORO
FOR PURCHASE OF VEHICLE**

This Contract is entered into and effective as of the _____ day of _____, 2021, by and between the **CITY OF MURFREESBORO**, a municipal corporation of the State of Tennessee ("City") and **TT OF F. MURFREESBORO, INC dba FORD OF MURFREESBORO**, a corporation of the State of Tennessee ("Contractor").

This Contract consists of the following documents:

- ***This Contract***
- ***State of Tennessee Contract 64470 with Ford of Murfreesboro***
- ***Price Sheet Attachment to State of Tennessee Contract 64470 with Ford of Murfreesboro***
- ***Sales Quotation Sheet from Ford of Murfreesboro, No. MUR011, dated July 27, 2021, for 2021 Police Interceptor Utility AWD, V6***
- ***Any properly executed amendments to this Agreement***

In the event of conflicting provisions, all documents shall be construed according to the following priorities:

- ***First, any properly executed amendment or change order to this Contract (most recent amendment or change order given first priority)***
- ***Second, this Contract***
- ***Third, Contractor's State of Tennessee Contract 64470 with Ford of Murfreesboro***
- ***Fourth, Price Sheet Attachment to State of Tennessee Contract 64470 with Ford of Murfreesboro***
- ***Lastly, Sales Quotation Sheet from Ford of Murfreesboro, No. MUR011, dated July 27, 2021, for 2021 Police Interceptor Utility AWD, V6.***

1. **Duties and Responsibilities of Contractor.** Contractor agrees to provide and City agrees to purchase twenty-eight (28) 2021 Police Interceptor Utility AWD V6 Vehicles as set forth in the State of Tennessee Contract 64470 with Ford of Murfreesboro, and Contractor's Sales Quotation Sheet. Furthermore, the City may utilize this Contract to procure additional vehicles from Contractor per the State of Tennessee Contract 64470 through the term of the contract. Such future procurements shall be executed through a Purchase Order after purchases exceeding \$25,000 have been approved by Council.
2. **Term.** The term of this contract shall be from _____, 2021 to September 30, 2021. Contractor's performance may be terminated in whole or in part:
 - a. Upon 30-day prior notice, for the convenience of the City.
 - b. For the convenience of Contractor, provided that Contractor notifies the City in writing of its intent to terminate under this paragraph at least 30 days prior to the effective date of the termination.
 - c. For cause, by either party where the other party fails in any material way to perform its obligations under this Agreement. Termination under this subsection is subject to the condition that the terminating party notifies the other party of its intent to terminate, stating with reasonable specificity the grounds therefore, and the other party fails to remedy the problem within 15 days after receiving the notice.

- d. Should Contractor fail to fulfill in a timely and proper manner its obligations under this Agreement or if it should violate any of the terms of this Agreement, the City has the right to immediately terminate the Agreement. Such termination does not relieve Contractor of any liability to the City for damages sustained by virtue of any breach by Contractor.
- e. Should the appropriation for Contractor's work be withdrawn or modified, the City has the right to terminate the Agreement immediately upon written notice to Contractor.

3. **Price; Compensation; Method of Payment.**

- a. The price for the goods and other items to be provided under this Contract is set forth in the Sales Quotation from Ford of Murfreesboro, No. MUR011, dated July 27, 2021, for the vehicles set forth therein which reflects a price of **\$33,831 each**, for a total purchase price of **\$947,268.00**. Any compensation due Contractor under the Agreement shall be made upon submittal of an invoice after delivery and acceptance of the goods and/or services which each payment represents. The City agrees to pay Contractor after goods and/or services have been received, accepted, and properly invoiced as indicated in the Contract and/or purchase order. Invoices must bear the purchase order number. Final payment shall not be made until after performance is complete.
 - b. An employee of the City of Murfreesboro will pick-up the vehicles within three (3) working days of notification by Ford of Murfreesboro that it is ready for pickup. Please notify the City's contact person, Robert Holloway (email: 0388@murfreesborotn.gov) at (615) 849-2673 when vehicles are ready for pick-up.
 - c. Deliveries of all items shall be made as soon as possible after issuance of Purchase Order and no later than June 30, 2022. Should the Contractor fail to deliver items on or before its stated date, the City reserves the right to cancel the order or contract. The Contractor shall be responsible for making any and all claims against carriers for missing or damaged items.
 - d. Delivered items will not be considered "accepted" until an authorized agent for the City has, by inspection or test of such items, determined that they fully comply with specifications. The City may return, for full credit and at no expense to the City, any item(s) received which fail to meet the specifications as stated in the Invitation to Bid.
 - e. All deliveries made pursuant to the contract must be made pursuant to the written purchase order of the City. The City assumes no liability for goods and/or services provided without a written purchase order from the City. Delivery and freight charges are to be prepaid and included in the bid price.
4. **Warranty.** Unless otherwise specified, every item purchased shall meet the warranty requirements set forth in the manufacturer's specifications.
5. **Indemnification.**

- a. Contractor must indemnify, defend, and hold harmless the City, its officers, agents and employees from any claims, penalties, damages, costs and attorney fees ("Expenses") arising from injuries or damages resulting from, in part or in whole, the negligent or intentional acts or omissions of contractor, its officers, employees and/or agents, including its subcontractors or independent contractors, in connection with the performance of this Agreement, and, Expenses arising from any failure of Contractor, its officers, employees and/or agents, including its subcontractors or independent

contractors, to observe applicable laws, including, but not limited to, labor laws and minimum wage laws.

- b. Pursuant to Tennessee Attorney General Opinion 93-01, the City will not indemnify, defend or hold harmless in any fashion Contractor from any claims arising from any failure, regardless of any language in any attachment or other document that Contractor may provide.
- c. Copyright, Trademark, Service Mark, or Patent Infringement.
 - i. Contractor, at its own expense, is entitled to and has the duty to defend any suit which may be brought against the City to the extent that it is based on a claim that the products or services furnished infringe a copyright, Trademark, Service Mark, or patent. Contractor will indemnify, defend, and hold harmless the City against any award of damages and costs made against the City. The City will provide Contractor immediate notice in writing of the existence of such claim and full right and opportunity to conduct the defense thereof, together with all available information and reasonable cooperation, assistance and authority from the City in order to enable Contractor to do so. The City reserves the right to participate in the defense of any such action. Contractor has the right to enter into negotiations for and the right to effect settlement or compromise of any such action provided (i) any amounts due to effectuate fully the settlement are immediate due and payable and paid by Contractor; (ii) no cost or expense whatsoever accrues to the City at any time; and (iii) such settlement or compromise is binding upon the City upon approval by the Murfreesboro City Council.
 - ii. If the products or services furnished under this Agreement are likely to, or do become, the subject of such a claim of infringement, then without diminishing Contractor's obligation to satisfy the final award, Contractor may at its option and expense:
 - 1. Procure for the City the right to continue using the products or services.
 - 2. Replace or modify the alleged infringing products or services with other equally suitable products or services that are satisfactory to the City, so that they become non-infringing.
 - 3. Remove the products or discontinue the services and cancel any future charges pertaining thereto; provided however, Contractor will not exercise this option until Contractor and the City have determined that each of the other options are impractical.
 - iii. Contractor has no liability to the City if any such infringement or claim thereof is based upon or arises out of the use of the products or services in combination with apparatus or devices not supplied or else approved by Contractor, the use of the products or services in a manner for which the products or services were neither designated nor contemplated, or the claimed infringement in which the City has any direct or indirect interest by license or otherwise, separate from that granted herein.

6. **Notices.** Notice of assignment of any rights to money due to Contractor under this Contract must be mailed first class mail or hand delivered to the following:

Notices to City shall be sent to:

Department: City of Murfreesboro Administration

Attention: City Manager

Address: Post Office Box 1139
111 West Vine Street
Murfreesboro, TN 37133-1139

Notices to Contractor shall be sent to:

Contractor: Ford of Murfreesboro

Attention: Jason McCullough, Fleet Sales Manager

Address: 1550 N.W. Broad St.
Murfreesboro, TN 37129-1709

7. **Taxes.** The City of Murfreesboro is exempt from State sales tax and will issue a tax exemption certificate to the Contractor as requested. City shall not be responsible for any taxes that are imposed on Contractor. Furthermore, Contractor understands that it cannot claim exemption from taxes by virtue of any exemption that is provided to City.
8. **Compliance with Laws.** Contractor agrees to comply with any applicable federal, state and local laws and regulations.
9. **Maintenance of Records.** Contractor shall maintain documentation for all charges against City. The books, records, and documents of Contractor, insofar as they relate to work performed or money received under the contract, shall be maintained for a period of three (3) full years from the date of final payment and will be subject to audit, at any reasonable time and upon reasonable notice by City or its duly appointed representatives. The records shall be maintained in accordance with the Generally Accepted Accounting Principles.
10. **Modification.** This Contract may be modified only by written amendment executed by all parties and their signatories hereto.
11. **Relationship of the Parties.** Nothing herein may in any way be construed or intended to create a partnership or joint venture between the parties or to create the relationship of principal and agent between or among any of the parties. None of the parties hereto may hold itself out in a manner contrary to the terms of this paragraph. No party becomes liable for any representation, act, or omission of any other party contrary to this section.
12. **Waiver.** No waiver of any provision of this contract shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default.
13. **Employment.** Contractor shall not subscribe to any personnel policy which permits or allows for the promotion, demotion, employment, dismissal or laying-off of any individual due to race, creed, color, national origin, age, sex, veteran status, or any other status or class protected under federal or state law or which is in violation of applicable laws concerning the employment of individuals with disabilities.
14. **Non-Discrimination.** It is the policy of the City not to discriminate on the basis of age, race, sex, color, national origin, veteran status, disability, or other status or class protected under federal or state law in its hiring and employment practices, or in admission to, access to, or operation of its programs, services, and activities. With regard to all aspects of this Agreement, Contractor certifies and warrants it will comply with this policy. No person may be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the City's contracted programs or activities, on the grounds of handicap and/or disability,

age, race, color, religion, sex, national origin, or any other classification protected by federal or Tennessee State Constitutional or statutory law; nor may they be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of contracts with the City or in the employment practices of the City's Contractors. Accordingly, all proposers entering into contracts with the City may upon request be required to show proof of such nondiscrimination and to post in conspicuous places that are available to all employees and applicants, notices of nondiscrimination.

15. **Gratuities and Kickbacks.** It is a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity or an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or proposal therewith. It is a breach of ethical standards for any payment, gratuity or offer of employment to be made by or on behalf of a subcontractor under a contract to the prime contractor or higher tier subcontractor or a person associated therewith, as an inducement for the award of a subcontract or order. Breach of the provisions of this paragraph is, in addition to a breach of this Agreement, a breach of ethical standards which may result in civil or criminal sanction and/or debarment or suspension from being a contractor or subcontractor under the City contracts.
16. **Assignment.** The provisions of this Agreement inure to the benefit of and are binding upon the respective successors and assignees of the parties hereto. Except for the rights of money due to Contractor under this Agreement, neither this Agreement nor any of the rights and obligations of Contractor hereunder may be assigned or transferred in whole or in part without the prior written consent of the City. Any such assignment or transfer does not release Contractor from its obligations hereunder
17. **Integration.** This Contract and State contract set forth the entire agreement between the parties with respect to the subject matter hereof and govern the respective duties and obligations of the parties.
18. **Force Majeure.** No party has any liability to the other hereunder by reason of any delay or failure to perform any obligation or covenant if the delay or failure to perform is occasioned by force majeure, meaning any act of God, storm, fire, casualty, unanticipated work stoppage, strike, lockout, labor dispute, civil disturbance, riot, war, national emergency, act of public enemy, or other cause of similar or dissimilar nature beyond its control.
19. **Governing Law and Venue.** The validity, construction and effect of this Agreement and any and all extensions or modifications thereof are governed by the laws of the state of Tennessee regardless of choice of law doctrine or provision in any attachment or other document that Contractor may provide. Any action between the parties arising from this agreement may only be filed in the courts of Rutherford County, Tennessee.
20. **Severability.** Should any provision of this contract be declared to be invalid by any court of competent jurisdiction, such provision shall be severed and shall not affect the validity of the remaining provisions of this contract.
21. **Attorney Fees.** In the event any party takes legal action to enforce any provision of the Agreement, should the City prevail, Contractor will pay all expenses of such action including attorney fees, expenses, and costs at all stages of the litigation and dispute resolution
22. **Effective Date.** This Contract shall not be binding upon the parties until signed by each of the Contractor and authorized representatives of the City and is thereafter effective as of the date set forth above.

IN WITNESS WHEREOF, the parties enter into this agreement as of _____, 2021 (the “Effective Date”).

Is this contract available to local government agencies in addition to State agencies?: Yes

Authorized Users. This Contract establishes a source or sources of supply for all Tennessee State Agencies. "Tennessee State Agency" refers to the various departments, institutions, boards, commissions, and agencies of the executive branch of government of the State of Tennessee with exceptions as addressed in Tenn. Comp. R. & Regs. 0690-03-01-.01. The Contractor shall provide all goods or services and deliverables as required by this Contract to all Tennessee State Agencies. The Contractor shall make this Contract available to the following entities, who are authorized to and who may purchase off of this Statewide Contract ("Authorized Users"):

- a. all Tennessee State governmental entities (this includes the legislative branch; judicial branch; and, commissions and boards of the State outside of the executive branch of government);
- b. Tennessee local governmental agencies;
- c. members of the University of Tennessee or Tennessee Board of Regents systems;
- d. any private nonprofit institution of higher education chartered in Tennessee; and,
- e. any corporation which is exempted from taxation under 26 U.S.C. Section 501(c)(3), as amended, and which contracts with the Department of Mental Health and Substance Abuse to provide services to the public (Tenn. Code Ann. § 33-2-1001).

These Authorized Users may utilize this Contract by purchasing directly from the Contractor according to their own procurement policies and procedures. The State is not responsible or liable for the transactions between the Contractor and Authorized Users.

Note: If "no", attach exemption request addressed to the Central Procurement Officer.
