III. COMMUNICATIONS Information Item MERV-our Mobile Education Resource Van- had a successful start serving students in our district. On Wednesdays, MERV partners with the CHOW bus and provides students with books to read and activity packets/crayons to encourage reading.? We have also been able to provide parents with cleaning supplies thanks to our recent donation partnership with Amazon. Every other Tuesday, MERV is serving our McKinney-Vento (MKV) students in 5 hotel locations. Last week we served approximately 30 families with diapers, socks, undergarments, household essentials, food, and of course, books! A special thanks to the Blackman High School Varsity Coed Cheer team for volunteering 6 hours of their time to help organize our new Family Resource Center at 910 Ridgely. They unboxed books that were moved from the Central Office, organized the food pantry, and packed food pantry bags for families. Next month, Murfreesboro City Schools will host a Supply Drive and Farmer's Market at the Mitchell-Neilson Primary Gymnasium. Community partners for this event will include: <ul style="list-style-type: none">• Murfreesboro Muslim Youth-leading the school supply drive• Murfreesboro City School Farmers-providing free vegetables to families• Read To Succeed-handing out books to children and providing information for ESL classes for adults• Wellpoint- providing school supplies and education on TennCare benefits Additionally, we are working with several nonprofits and faith-based organizations to schedule back-to-school drives including serving as host for Stuff the Bus with United Way on August 4 and 5.
